

## Chapter: 2448

As soon as his words fell, the next moment, he had disappeared here and appeared in another place. At this moment, his speed can be said to be reaching the extreme!

It wasn't until after he left that there was a sonic boom in the room.

Tian Jue had always focused on Chu Fei's body. Although he was far away from Chu Fei's room, he could clearly perceive it.

But just now, he suddenly didn't notice Chu Fei's breath, and disappeared out of thin air!

This is a very unbelievable thing. You must know that Chu Fei has already been restrained by him. Apart from him, even Kunlun can hardly get rid of it. It is impossible to run away, especially, Chu Lin is still there!

Judging from Chu Lin's performance today, at least he has the strength of the second-tier God Realm. He is a very good super genius. An innate realm master like Chu Fei, in Chu Lin's hands, can be said to have the ability to resist a little. There is no talent.

But why can Chu Fei escape?

Suddenly, he thought of something, his eyes suddenly widened!

A huge anger was exposed in his eyes!

Chu Lin, Chu Lin!

The surname Chu, Lin, combined with Chu Lin's performance today, if Tian Jue can't think of it, then he is not worthy to be the Sect Master of the Heavenly Killing Sect!

He is almost 100% sure that the problem with this Chu Lin is not the real Chu Lin, but someone else, and, most likely, it is Lin Ziming!

He knew that Nangong Wuxia's secular name was Chu Fei, and Lin Ziming's surname was Lin...

Thinking of this, he couldn't help being annoyed and angry!

He was fooled!

By now he can be almost 100% sure that this so-called Chu Lin is Lin Ziming, although he does not know what methods Lin Ziming used to disguise and change a person's appearance and aura, but in today's world, Except for Lin Ziming, there is no second person who took Chu Fei away under his eyes, and also had this motive and courage!

"Damn Lin Ziming! I want you to die!!!"

Tian Jue gritted his teeth and roared with murderous aura.

His speed was very fast. After a while, he had already reached Chu Fei's boudoir. He kicked it away and rushed in. As expected, the room was empty. Where else could there be people? !

His move also alarmed the surrounding guards. He ran over quickly and stared at this situation, not knowing what happened.

Especially now that the expression on Tian Jue's face seemed like he was

about to kill, it made them feel uneasy.

Soon, many high-level officials from the Heavenly Killing Sect came over, among them was the Supreme Elder Kunlun. He said in a deep voice, “Tian Jue, what happened?”

Tian Jue took a deep breath and said coldly, “I was tricked, Chu Lin is Lin Ziming, and Nangong Wuxia was taken away by him.”

“what?!”

Kunlun was shocked when he heard this sentence, and couldn't believe it was true.

You know, this is in Killing Heaven Sect, which can be said to be the most powerful place in the world. How could Lin Ziming conceal everyone and bring Nangong Wuxia with him? His first reaction was that he felt that the heavens were absolute There must be something wrong.
