

Chapter: 2449

“Tian Jue, did you make a mistake? We investigated the identity of that Chu Lin. There is such a person. It is impossible that Lin Ziming has pretended to be!” Kunlun said in a deep voice.

Strong murder and shame flashed in Tian Jue’s eyes, but he did not lose his mind, but said in a deep voice: “I don’t know how he did it, but I can be sure that this Chu appeared today. Lin is him! Only he can do it, and only he has the ability to do it!”

Kunlun understands Tian Jue and knows that Tian will not be aimless. He said in a deep voice, “If Nangong Wuxia is really taken away by Lin Ziming, then your plan will be ruined.”

Tian Jue sneered and said fiercely: “No, he wants to leave Heaven Killing Sect quietly with a burden, that is impossible!”

After a pause, he turned around and waved his big hand, “The disciples follow the orders! Let me take action. Even if I dig three feet, I have to find Lin Ziming and Missy!”

“Yes!!”

After the voice of Tian Jue fell, the entire Killing Heaven Sect began to act. This night, it was destined to be a restless night. Chu Lin turned out to be Lin Ziming, who came to save Nangong Wuxia, and it really made Lin Ziming succeed. This message, like a bomb, was cast in peace. There was a huge wave in the lake.

In a very short time, it spread to the entire martial world.

The main reason why it was able to spread so quickly was because that night, many people from other sects were temporarily living in the Heavenly Killing Sect.

When they heard this message, they were shocked and unbelievable.

After all, Heaven Killing Sect is the number one martial sect, and it is the most powerful force in the world, and Lin Ziming is only single-handedly, dare to come to Kill Heaven Sect to save people?

The most outrageous thing is that Lin Ziming also successfully deceived everyone.

This is something that has never happened before!

It is conceivable that after tonight, Lin Ziming’s fame will be even louder.

However, even so, no one would believe that Lin Ziming could take Nangong Wuxia away with a burden.

At this time, the entire Heaven Killing Sect was already solid, and every place was guarded by strong men. Once Lin Ziming and Nangong Wuxia appeared, they would be discovered immediately, which would alarm other people and quickly cause encirclement and suppression.

Because Tian Jue had already let go, not only the people of the Heaven-killing Sect, but also the powerhouses of other sects who

temporarily lived in the Tian-Slaying Sect, also joined the encirclement and suppression.

To them, the name Lin Ziming is no longer unfamiliar. It can be said that people in the entire martial arts world hate Lin Ziming deeply.

Usually Lin Ziming stayed in China and stayed up until they couldn't find it.

But now, Lin Ziming is so dead, and he ran to the Heavenly Killing Sect. How would they let this opportunity go?

In their view, it was only a matter of time before Lin Ziming was caught!

In fact, Lin Ziming and Chu Fei did not leave Heavenly Killing Sect.

Because Tian Jue's reaction speed was too fast, Tian Jue had noticed how long they had left the boudoir, and within a few minutes, he issued an order, turning the entire Tian Jue Sect into iron. One bucket!

However, even in the face of this situation, Lin Ziming didn't panic, and he still maintained sufficient composure.

It has been three days since the matter was exposed. During these three days, he took Chu Fei and hid it all the time, not anxious to escape the heavy encirclement of Tianzong Sect.
