

Chapter: 2458

After seeing this situation, Lin Ziming just sneered disdainfully, and then the speed did not weaken at all. It was still extremely fast, and he rushed in front of the master without caring at all, on all sides of him. Everywhere, there are masters of the God-Throughout Realm, besieging them.

He was already surrounded by five masters of the God-passing Realm.

And it's still very strict. In this case, even a third-rank god-level master can hardly escape unscathed, let alone kill one of them.

Therefore, facing the master of the gods who Lin Ziming shot, he also sneered, thinking that Lin Ziming must be a big support this time, he is not a arrogant and clumsy man, even if Lin Ziming is more powerful, Can it withstand the siege of five masters of the God-passing Realm?

He doesn't believe that in this world, there are people like this who can do it, even if it is known as the world's No. 1 Tianjue, it is estimated that it will not work!

However, I don't know why, when he saw Lin Ziming's slightly raised mouth, and there was some disdain in his eyes, he had a bad premonition in his heart. Could it be that he still underestimated Lin Ziming?

But this makes sense...

The speed was too fast. It was just a time to face each other. Lin Ziming had already arrived in front of him, punching the unity of heaven and man, covering his whole body and all his mind. At this moment, he felt When I arrived, it was dark in front of me, lost light, lost sight, and lost perception, as if the sky had fallen down, covering all his senses!

However, this is impossible. You must know that he is also a second-ranking god-level master. Lin Ziming is the most powerful, but he is just a third-rank god-level master. In the area of mental power, how can he be so What about the big suppressing force?

However, the fact was before him, so he had to accept it.

He let out a terrifying roar, and he didn't want to catch it just like that, he had to resist!

So, in an instant, he stimulated all his potential, without the slightest reservation, and hit the most powerful and fierce blow in his life, and it was also a punch of the unity of nature and man.

After this punch, he developed a kind of heroic spirit. At that moment, he thought he was the best player in the world, the world is big, no one could be his opponent, even if he knew it was just him. It's just an illusion.

Lin Ziming also felt the power of his punch, and couldn't help but let out a surprise, but that was all.

For him, the gap between the master of the god-passing realm in front of him is still too big.

This punch collided with the opponent, and the next moment, there was still

the sound of fractures and screams, and a figure flew out. Naturally, it was the master of the gods on the opposite side. Lin Ziming still stood steadily. At the same place, it's just that his legs were thrust straight into the ground because of this huge force.

At the same time, the remaining four masters of the God-Communication Realm in all directions had already reached his side, roared, and attacked him together to cut him under the horse.

This situation, Lin Ziming can be said to be very dangerous, especially, behind him, there is a Chu Fei.

If you change to other third-level gods through god realm masters, it is almost impossible to get out of your body if you encounter this situation.

There is only one way to keep yourself safe, and that is to send his back out, let Chu Fei become his sandbag, and raise him to attack immediately.

The consequence of this is that Chu Fei was killed on the spot. For a wise strong man, this was the most correct approach.
