

Chapter: 2460

However, although their abacus is very good, is it so easy to implement it? The answer is obviously no.

In the blink of an eye, Lin Ziming had already plunged into the encirclement of the four of them with an absolutely high-pitched posture.

No matter from which point of view, Lin Ziming's approach is different from looking for death. After all, Lin Ziming is facing four masters of the gods, and Lin Ziming is still carrying a woman on his back. Even if Lin Ziming's strength is great, how much can he show?

It's just that they don't know how terrifying Lin Ziming's real strength has reached!

Even Lin Ziming himself couldn't really know where his limits were.

He is now completely let go. Anyway, since the moment he decided to break through, he has no way out. The best way is to kill out with a crushing attitude all the way!

Almost at the same time, the four of their four masters in the realm of Gods began to launch the most fierce attack on Lin Ziming, with extremely tricky angles, and their strength reached an extremely terrifying point, let alone Lin Ziming a mortal. , Even a building, under such a pinch attack, has to collapse suddenly!

When Lin Ziming encountered this situation, he didn't feel any panic or nervousness. On the contrary, his eyes became wider and brighter, and the fighting spirit in his pupils was extremely intense.

boom!

From his body, a huge aura suddenly radiated, and in the next moment, he had already fought with the four masters of the God-Sounding Realm.

Bang bang bang...

It was as if there were continuous shells exploding, causing huge damage.

Lin Ziming was one enemy four, and he was still carrying a burden. This scene, it can be said that this scene greatly stimulated everyone present and made them feel a little surprised. !

Especially for the four powers of the gods, it is even more unacceptable, because as the parties involved, they can clearly perceive that Lin Ziming's strength is really terrifying, and it has exceeded their understanding of Lin Ziming. Cognition!

“This son... how can martial arts be so strong?!”

One of the masters of the God-Communication Realm couldn't help but yelled out, his face couldn't hide the shock and disbelief.

Not only him, but the other three masters of the God-Communication Realm had similar reactions.

They looked at each other and found that it was impossible to suppress Lin Ziming in a short time.

However, they also reacted quickly. They don't necessarily have to subdue Lin Ziming, as long as they drag Lin Ziming to Tian Jue.

After this idea came out, they looked at each other and made a decision, slowing down the pace, intending to hold Lin Ziming tightly.

However, where did their abacus conceal Lin Ziming?

In fact, what Lin Ziming wanted was theirs!

Lin Ziming sneered. Then, his moves suddenly changed, becoming more aggressive, more arrogant, and more violent.

“not good!”

“Successful!”

The four masters of the God-passing realm reacted instantly, they were caught in Lin Ziming's routine.

In an instant, their scalp was numb, and they hurriedly changed their tricks.

But might Lin Ziming give them this opportunity?
