

Chapter: 2463

How long did Lin Ziming leave here, Tian Jue had already arrived, and he was with him, as well as the Supreme Elder Kunlun of the Tianzong Sect. When they saw this corpse everywhere, their expressions suddenly changed, and it was ugly to the extreme!

“This Lin Ziming! How dare it! How dare it!!!”

Kunlun couldn't help it at the moment, and roared out furiously.

An incomparable anger and murderous intent was released from him.

At the same time, Tian Jue's expression was also ugly to the extreme, he couldn't see it anywhere, this was the result of Lin Ziming's slaughter.

He and Kunlun are still one step late!

In front of him, all the elites of his sect world died, not just the powerhouses of the Heavenly Killing Sect, but the powerhouses of the entire sect world, who died here a lot.

In addition, in the secular world, those elites killed by Lin Ziming's beheading operation, the entire martial world, the strong men who died at the hands of Lin Ziming are already countless!

It is no exaggeration to say that Lin Ziming is the biggest enemy and the biggest enemy of the entire sect world! !

boom! !

Tian Jue was so murderous that he couldn't hide it at all. For the first time, he was out of control!

In front of him, a huge crack appeared out of thin air, as if the whole earth couldn't bear his anger, and it cracked directly.

“Lin Ziming! This seat wants you to die!!!”

A very cruel and cold word popped out between his teeth.

Kunlun felt his murderous intent and was also taken aback. This was the most gaffeful and most murderous in his time since he had known Tian Jue for so long.

If you change anyone and get stared at by Tian Jue in this way, you will be scared to death, but to Lin Ziming, it doesn't matter.

Even if Tian Jue does not kill him, he will kill Tian Jue.

It can be said that there is no possibility of reconciliation between him and Tian Jue.

Kunlun took a deep breath and saw the corpses around him. His face was full of distress and anger, “These are all my good sons from the Heavenly Killing Sect, a good son from my martial art world! This Lin Ziming, the damn forest Ming!!!”

He can be described as mad.

After a while, a lot of high-level officials also chased after them, and their expressions changed drastically when they saw the scene in front of them.

The hatred for Lin Ziming can be said to be extremely strong!

“This Lin Ziming must die!!”

“Grab him! Use the cruelest means in the world to torture him! Punish him!”

“You must kill him and avenge your fellow mate!!!”

They all share the same hatred and anger to the extreme.

At this time, Tian Jue said, “At any rate, take Lin Ziming down!!”

“Sect Master, where is the eldest lady?” Someone asked this question, yeah, what about Nangong Wuxia?

Everyone looked at Tian Jue.

Tian Jue said coldly: “Don’t hurt the eldest lady.”
