

## Chapter: 2465

This is the first time he has shot against Lin Ziming, and he has fully demonstrated his demeanor as the world's number one powerhouse.

There were no people, Lin Ziming immediately felt the intense crisis and pressure, and he couldn't even breathe smoothly.

He knew that Tianjue was very powerful, and it was definitely not justified to be recognized as the world's strongest.

However, facing Tian Jue personally, Lin Ziming was still shocked.

Mainly, it is because he has run out of physical strength now, and is not in his peak state.

He gritted his teeth and did not retreat, but chose to confront Tian Jue head-on, because he knew that facing a top powerhouse like Tian Jue, if he retreated, he would lose even faster! !

Although his choice is already the most correct, it is a pity that his current state is really bad, so when he fights against the sky, he immediately spews out a mouthful of blood, and the whole person flies upside down. .

He was actually repelled by Tian Jue when he met, and he was also injured.

While this horrified him, his heart was also extremely bitter and desperate.

It's not because he is not Tian Jue's opponent, if he goes alone, he may not be able to beat Tian Jue.

Regrettably, he is no longer in his peak state now. He is less than 50% of his strength, so where is Tian Jue's opponent?

This situation was unexpected by many people, so the scene suddenly fell silent. Obviously, it was unexpected that Lin Ziming would be defeated so quickly, but he was injured by Tian Jue after only a face-to-face meeting. .

After a few seconds, someone exclaimed.

"it is good!!!"

"Sect Master is invincible, he defeated Lin Ziming with one punch, hahaha!"

"Let me just say it, the Sect Master is invincible in the world, and the little one, Lin Ziming, how could it be the Sect Master's right! Now, Lin Ziming is dead, haha..."

Many people began to shout, their faces were full of excitement. For them, this is a thing worthy of excitement and excitement.

Lin Ziming finally lost.

Chu Fei screamed, heartache and nervously said: "Ziming, how are you!"

Lin Ziming's face was pale, and the collision with Tian Jue just now aggravated his injuries. Now his injuries are even more serious.

The five internal organs have been severely damaged, and they have begun to bleed and are overloaded.

However, there was no curse or panic on his face, but a smile appeared on his face, comforting: "I have nothing to do, this little injury is not difficult

for me.”

Chu Fei bit her lip tightly, tears in her eyes flowed, and her distress was extremely distressed, “Ziming, I’m sorry, I’m the one who caused you, I’m the one who caused you...”

Lin Ziming’s eyes dimmed a lot, and now he was really injured too badly.

“You didn’t bother me, and we still didn’t have a dead end, Feifei, don’t cry, we will definitely be able to go out.” Lin Ziming’s tone was weak, but he was very firm.

Chu Fei was stunned. She couldn’t understand why Lin Ziming could still have such confidence at this time. In her opinion, this is already a dead end. It must be Lin Ziming that deliberately said this in order to comfort her. She could only close her mouth tightly, and her tears couldn’t stop flowing down.

She was never afraid of death. In fact, she was ready to die a long time ago, but it was a huge pain for her to make her hurt Lin Ziming.

If she was allowed to choose, she would definitely not call Lin Ziming!

Now, looking at Lin Ziming as she was running out of oil, she took a deep breath and made a certain decision in her heart...
