

Chapter: 2468

“Do not!!!”

Tian Jue’s face changed drastically, and he screamed in gloom.

He rushed forward, as if to catch Lin Ziming.

However, Lin Ziming’s speed was too fast. It was the self who had burned the last moment. He was unwilling to go to death. Even he couldn’t catch up with Lin Ziming. He could only watch Lin Ziming jump off the cliff.

Many people were taken aback by his reaction, and they didn’t understand why Tian Jue would lose his attitude so much. After all, Lin Ziming jumped off the cliff and died 100%.

As a person of the Heavenly Killing Sect, everyone knows how high this cliff is and how terrifying it is. If anyone jumps down, there is only one dead end, and there is absolutely no possibility of surviving.

And Tian Jue, why did he act like keeping Lin Ziming? Could it be that Tian Jue felt that Lin Ziming died too easily?

Many of them have overlooked the existence of one person, and that is Chu Fei.

Indeed, since the beginning of Cong, Chu Fei’s existence is too weak, and she has been hiding behind Lin Ziming, causing many people to forget her.

Lin Ziming jumped down, but Chu Fei also jumped down.

At this moment, Tian Jue’s face was ugly. It can be said to have reached an extreme level. His body was trembling, and his eyes were covered with bloodshot eyes. The whole person was full of absolute unwillingness and regret!

He did not expect that Lin Ziming would be so resolute and chose to jump off the cliff.

The most important thing is that he did not expect that Lin Ziming was clearly at the end of the crossbow, and when the oil was exhausted and the lamp was dry, he could explode with such a huge speed, which was completely beyond the level of his ability to react. He could only watch. Lin Ziming jumped down with Chu Fei!

Originally, his plan was to exhaust Lin Ziming the last bit of stamina and take Lin Ziming down. It was not that he cared about Lin Ziming’s life, but that he could not let Chu Fei be harmed.

The only person he wanted was Chu Fei.

It’s not because Chu Fei is his biological daughter, but because Chu Fei has his biggest secret, and the greatest contribution of his life!

Since Chu Fei was born and discovered Chu Fei’s special physique, he began to plan.

Finally, when the time was right, Chu Fei actually fell under his nose!

It means that all his hard work for so many years, so many years of hard work, have all turned into a blob!

To be honest, at this moment, no matter how strong his psychological quality is, he can't accept this fact a little bit, making him breathless and holding his chest tightly!

There was a terrifying roar.

His hope was broken, he took the last step, the hope that could be presented was broken, and it was ruined in Lin Ziming's hands!

If what Lin Ziming did before was just to make Tian Jue disgusted and angry, then now, Lin Ziming drags Chu Fei to death, it really makes him hate deeply, even if Lin Ziming falls to pieces, he also find Lin Ziming's corpse and whip the corpse fiercely! !

Many people didn't understand his current emotions, and thought it was because Tian Jue lost a daughter, so he was so sad and excited.

Only Kunlun was on the side, his face was also very ugly, and he sighed heavily. He can be said to be the person who understands Tianjue the most in the world.

Unfortunately, I still missed it. The road ahead was ruthlessly ruined by Lin Ziming.
