

Chapter: 2469

“The disciples of the whole school listen to the order!”

Tian Jue spoke at this time, and his expression was full of hideousness and madness.

“Give me the fastest speed, go down the cliff and find the bodies of both of them!”

After saying this, he disappeared directly in place.

At the same time, above the Heavenly Killing Sect, in a hidden place, where no one could find it, two people were standing.

These two men, one man and one woman, dressed in armor, majestic, and a general posture, exuded from his body an extremely powerful aura, which has exceeded the level of all the strong on the earth, even if it is a heavenly harmony. Lin Ziming, in front of this man, didn't look enough.

And in front of the man, stood a woman, a woman who looked like a fairy.

The woman looked down at the cliff in front, with a strange smile on her face.

Speaking of it, it is not the first time that these two people have appeared on the earth. The last time Lin Ziming and Xiaoyao King had a live broadcast in the secret realm, it was these two people who made it.

No one knows their origins and identities.

At this time, the armored man next to him said, “It's a pity for Lin Ziming. Originally, with his qualifications, he had the opportunity to take the last step and join us.”

The woman said lightly, “Really? I don't think so.”

“Miss, do you still not recognize Lin Ziming's aptitude?” The armored man said with a little surprise.

The woman shook her head and said, “No, I don't think he will die.”

Hearing these words, the man in armor was even more surprised. In his opinion, in Lin Ziming's state, jumping off the cliff must be dead, and he would fall into a ball of mud, even if Lin Ziming was in the secret realm. Swallowed a hundred fruits in it, it is impossible to survive.

However, since the lady said so, there must be some reason for the lady.

After a pause, the woman said again, “This is the last test I gave Lin Ziming. If he can survive, then I will give him this opportunity and let him join us.”

Hearing these words, the armored man's face changed a bit, then nodded, and said, “If Lin Ziming can join in, that would be the greatest blessing of his life.”

The woman said lightly: “Look at his good fortune.”

.....
Since Lin Ziming jumped off the cliff, he immediately felt his body weightless, falling continuously, getting faster and faster. He knew that in a short time, he would completely fall to the ground and become a pool of

rotten flesh.

But even so, he turned around in the falling air, let Chu Fei go up, and he went down by himself.

This time, he temporarily let go of Chu Fei, face to face with Chu Fei, and saw Chu Fei's front, it was a beautiful face.

He held Chu Fei's face, Qi Kong was bleeding continuously, but he still showed a smile and said softly: "Fei Fei, don't be afraid, we walk together on Huangquan Road, we won't be alone."

Chu Fei gritted her teeth. At this moment, she didn't feel any tension or fear anymore. She just looked at Lin Ziming affectionately, and she could melt Lin Ziming in with affection, and she also smiled. "Ziming, I am not afraid with you..."
