

Chapter: 2471

Lin Ziming has never been so painful when he grows up so big! Because he knew that Chu Fei had already reached the end of her life, even if the fairy Daluo descended, she would definitely not be able to save Chu Fei!

He didn't know why his heart hurt so much, why he hated him so much, obviously, in his expectation, neither he nor Chu Fei could survive.

Now it's just that Chu Fei takes a step ahead of him, and he is in such pain.

Was it because Chu Fei sacrificed herself to perfect him, or did she never see Chu Fei again for the rest of her life?

Lin Ziming's thinking is no longer able to function normally, he is in so much pain and suffering now.

Their bodies are still falling, faster and faster, and when they are approaching, Chu Fei can't stand it and can't breathe air. In this case, Lin Ziming saw Chu Fei's appearance, and he had no idea His brains were just reflexively, as if it were instinct, he began to stop the speed of falling, until it was completely suspended!

If this scene is seen by the second person, it will definitely be frightened, even super powerhouses like Tianjue and Kunlun will have scalp tingling.

Because, in their cognition, no matter how strong a person is, he is still an individual and cannot violate physics.

And now, Lin Ziming violated the laws of physics and made his body suspended. This is no longer a martial artist, but has reached another level!

Lin Ziming still didn't realize what he did. He just hugged Chu Fei tightly now and kept crying, "Fei Fei, why do you want to do this, why do you do this... said Let's go together, let's go together..."

At this moment, Lin Ziming was crying like a child.

Chu Fei stretched out a slightly trembling hand. Even though she was very weak now, she still worked hard to wipe his tears, but no matter how she wiped it, Lin Ziming still had so many tears.

"Ziming, don't cry, this is my destiny... From the moment I was born, I was destined for this day..." Chu Fei said softly, with a gentle tone. Very happy, without the slightest bit of resentment and regret, but the more she looks like this, the more tortured and more painful Lin Ziming! ! !

Lin Ziming was not stupid. At this moment, he also wanted to understand why Tian Jue would take Chu Fei back, and why Chu Fei had such an abnormality.

As Chu Fei said, this is Chu Fei's destiny, and now it has finally come to this day.

However, no matter what he thought, he still couldn't accept this fact. It was too painful and cruel for him!

He would rather die with Chu Fei and have a companion on Huangquan

Road.

Not willing, Chu Fei died in front of him.

He has always believed that the greatest pain in the world is not life and death, but the death of a loved one in front of him, and he has to live alone and endure the suffering of lovesickness day by day and night by night!

If he could be allowed to choose, he would rather not have all of this in himself, just want to go on with Chu Fei in an ordinary way.

“Feifei, don’t die, you can’t die! Did you hear that! You promised me to stay together forever!” Lin Ziming gritted his teeth.

Chu Fei said softly: “Ziming, I’m sorry, I broke my promise...”

Hearing these words, Lin Ziming cried even harder.

Chu Fei seemed to have regained her glory. At the last moment, her face was ruddy and she held Lin Ziming’s face again and said, “Ziming, being able to marry you is the greatest happiness of my life. Ziming, Promise me to live well, okay?”
