A LIFE UPSIDE DOWN

Chapter: 2475

Therefore, even if they saw it, Lin Ziming was in danger and did not dare to rescue him easily, so he could only watch.

“Look! It’s Instructor Lin! Oh my God, what happened these days? How could Instructor Lin be surrounded by so many powerful men in the sect world? In this case, even instructor Lin is strong, it is impossible to escape. !”

“It’s over, instructor Lin is going to die here...”

“What should we do? Are we going to die?”

“I don’t know, please ask your superiors...”

Many fighters in the air began to send out signals to ask their superiors.

Soon, they were notified that they could not act rashly, let alone approach it easily, because once they got close and entered the attack range of the powerhouse of the gods, they would be finished.

Therefore, they only dared to watch from a distance, waiting for the support of more fighters.

At this time, they saw a shocking scene.

I saw that after Lin Ziming stood up, his right hand stretched out in front of him, and then pulled back, the person tens of meters in front of him actually flew directly towards him!

This scene looked like magic.

Beyond everyone’s expectations.

The man was also dumbfounded, his eyes widened, he looked like a ghost. He didn’t understand why his body was out of control, as if there was an invisible force pulling him towards Lin Ziming. He flew over, and the speed was extremely fast, the next moment, he arrived in front of Lin Ziming, and Lin Ziming caught his neck!

“This.....”

“what’s going on?”

“Did I have hallucinations?”

Everyone couldn’t help making noises, they were all dumbfounded, unable to understand what was happening before them.

As for Lin Ziming, he did this creepy thing. There was no wave on his face, and he just said lightly, “It turns out that the realm after the god-passing realm is like this.”

After saying this, he squeezed his right hand very easily, and the man’s neck was directly chopped off by him.

It’s very easy, like just chopped off a chicken.

The audience suddenly fell silent. The people who had clamored to kill Lin Ziming had their pupils contracted now, and it was hard to believe what was

in front of them.

In their opinion, this is already an act of ghosts and gods, a mortal, even if he has cultivated to the realm of the gods, he can't take pictures in the air!

After only one person saw him, his eyes widened, full of enthusiasm, and then turned into anger, fear...

This person is Tian Jue, and as the initiator of this incident, he knows that Lin Ziming has broken through the God Realm and has reached the next stage! !

This is what he dreams of.

At the same time, he also realized that this kind of Lin Ziming was no longer comparable to a master at the realm of gods.

He was unwilling, he was angry, he resented, but he had to admit that he also began to fear.

Because he felt Lin Ziming's terrible hatred towards him, and endless murderous intent!

Obviously he was responsible for Lin Ziming, but Lin Ziming didn't have the slightest gratitude for him, and there was only endless hatred.

At this moment, Lin Ziming looked at him and looked over.
