

Chapter: 2477 (END)

He has clearly found the next way and has seen hope, as long as he is given time, he can perfectly replicate this miracle!

He turned his head abruptly, saw Lin Ziming's cold face, and couldn't help yelling: "Lin Ziming! I'm your father-in-law! You can't kill me!!!"

Hearing these words, Lin Ziming's cold face finally showed some changes, and his brows frowned.

However, just when Tian Jue was about to be happy, Lin Ziming had already punched, unpretentiously, directly and neatly, hitting Tian Jue's chest hard, with a pop, as if he had pierced through a layer of paper. The same, directly pierced his chest.

And Tian Jue's body abruptly stopped, his eyes widened, in disbelief, looking down at his wound...

"You...you..." He stared at Lin Ziming, full of unwillingness, fear, and regret.

Lin Ziming said lightly: "You are not worthy of being her father."

After saying this, Lin Ziming drew his hand, and Tian Jue's body crashed to the ground.

The audience was silent again, everyone was stunned, absolutely shocked and subverted, Tian Jue, who was invincible in their eyes, died so easily at the hands of Lin Ziming?

It can be said that there is no room for resistance at all!

It was too fast, and it was too unbelievable, causing many, many people to be unable to react.

Including the fact that those people in the distant fighter plane were also dumbfounded, unable to imagine that Lin Ziming was actually so powerful.

"Oh my God, even Tian Jue is dead, who else is his opponent? Who else can stop him..."

"Run! Run!"

"Nothing, everything is gone..."

"This is not a human, this is a ghost, this is a ghost!"

For a moment, all the strong men of the martial art world on the field were deeply shocked by Lin Ziming. They had no intention of fighting, and they scattered and fled all around.

But, will Lin Ziming give them a chance to escape?

The answer is definitely no.

Lin Ziming's body just paused for a while, and immediately began to move. As the autumn wind swept the fallen leaves, these defeated martial world powerhouses were extremely fragile in his hands, and he was completely slaughtered in less than two minutes.

And when he finished all this, he didn't have a breath of breath.

His strength has already subverted everyone's cognition, so powerful that

even he himself feels strange.

He stood there for a while before he came back to his senses and walked towards Chu Fei.

He squatted down in front of Chu Fei and thought for a while. He put his hand on Chu Fei's old face, and a miraculous scene happened. Chu Fei, who was already old, actually regained his youth and restored the beauty of her life.

The whole person, including Chu Fei, returned to their original appearance, and it looked as if they were asleep.

However, Lin Ziming knew that Chu Fei was dead.

Even if he breaks through the God Realm and enters the next level, he still doesn't have the ability to resurrect Chu Fei.

With a heavy sigh, Lin Ziming hugged Chu Fei again and left here.

That day, this message was delivered, and the world was shocked!

In a huge martial art world, thousands of extremely strong men died in the hands of Lin Ziming, and even Tianjue, who was known as the invincible in the world, was beaten to death by Lin Ziming! !

Because the strong men of the martial world were slaughtered and cleaned, the war that the martial world launched against the secular world directly collapsed.

Lin Ziming became a national hero overnight.

Countless people wanted to find Lin Ziming, but since then, Lin Ziming never appeared again, as if Lin Ziming had disappeared from this world.

There are only legends about him in the world.

Some people say that he is dead, others say that he is incognito, and some others say that he has entered another higher level world.

Only those who were familiar with Lin Ziming knew that he was no longer on the earth, and he had indeed reached another higher level world.

And his purpose in doing this was not to pursue a higher realm, but to resurrect Chu Fei.
