

## Chapter: 343

Suddenly, he understood a lot of things, why he was rejected for the first time he invited Chairman Zi Qiong to dinner after returning to China, and the business that Ascendas Group and Zi Qiong Media had been cooperating with for so long was cut off. It's because of Lin Ziming!

But why is it so? Lin Ziming is not just the door-to-door son-in-law of the Chu family. He made a clear investigation. Why did he become the superior chairman Ziqiong after his transformation!

He couldn't understand it anymore, and he felt sick and nauseous.

He is not the only person who has similar questions. It can be said that 99.9% of the people present are like this.

Huang Wenhua's legs were weak and he staggered back. The person next to him did not support him in time, and he sat on the ground with his ass, and kept saying, "Impossible, impossible..."

As for Guo Yuanjia, his eyes were round, as if he had seen a ghost, staring at Lin Ziming incredulously. Even his composure was messed up at this moment, and his mind was blank, and he couldn't react at all.

It's not because he is not strong enough to bear it, but because the more he reaches his position, the more he knows the absurdity of this matter. How can a billionaire capital crocodile be willing to be the son-in-law of the Chu family? This is simply unscientific, unreasonable, and impossible to happen!

In an instant, he even had doubts about whether Wang Shougui had cooperated in acting. However, this suspicion was overthrown by him in less than a second. First of all, he knows Wang Shougui, he knows Wang Shougui's character, and Wang Shougui's identity. It is absolutely impossible to do such a thing! Moreover, the kind of worship that was revealed in Wang Shougui's eyes just now, awe is not just pretending.

Besides, there is another Han Jinlong...

So in a short period of time, he has accepted the fact that Lin Ziming is the chairman of Zi Qiong. It's just this fact, it really makes him difficult to digest!

Guo Junyi's shock was the smallest, she was just astonished for a while, and she quickly regained her senses. Because Lin Ziming had already planted powerful seeds in her mind, even if Lin Ziming was Chairman Ziqiong, it seemed nothing strange.

Of course, I believe it is believing, and the mood is another matter. Lin Ziming's identity as the chairman of Michelle Violet is really exciting to her. Her face is flushed. It is a feeling that has never appeared before, for the first time. I had such a strong impulse, I wanted to plunge into Lin Ziming's arms...

Fortunately, she held it back.

Lin Ziming stepped forward, standing in front of the stage, looking across

everyone. At this moment, even if he was still wearing a cheap suit, no one would dare to despise him, and some were just infinite awe and flattery.

“I am indeed Ziqiong’s chairman. I don’t care if you believe it or not.” Lin Ziming said flatly, but sonorously, “Guo Junyi, my good friend, after tonight, who of you dare to slander outside? Guo Junyi, if you say bad things about her, it’s best not to let me hear it, otherwise, don’t blame me for being rude.” Lin Ziming’s remarks were too strong, and they immediately caused a lot of dissatisfaction. What if you are Chairman Ziqiong? No matter how rich you are, you are only a businessman, and we are also a businessman. How can you dare to deal with us?

So many people were not convinced, but did not show it.

Even Wang Shougui felt that the chairman was a little bit big.

Situ Nan laughed disdainfully at the moment, his voice was not too loud, and it just happened to reach Lin Ziming’s ears, “Cut, what if you are Chairman Zi Qiong? You can still be an enemy to all of us, a joke.”

In an instant, Lin Ziming heard what he said and looked over, showing a playful smile, and said: “Situ Nan, I will almost forget you if you don’t speak. Clown, give him a slap in the face for me.”

“Yes, Mr. Lin!”

The ugly master who stood out among the crowd suddenly spoke and bowed respectfully to Lin Ziming on the stage. Then he turned around and slapped Situ Nan’s face with his hands. With great strength, he directly slapped Situ Nan. He flew out and crashed into the crowd...
