

Chapter: 344

Chou Ye, is another mysterious existence in Hwaseong City. No one knows his real name, but he is known as Chou Ye. He is the underground emperor of Hwaseong City. He is powerful, has many horsemen under him, and involves many fields. Guang, in Hwaseong City, it is almost a sideways existence.

So there is a saying in Hwaseong, I would rather provoke the Lin family than provoke the ugly master!

Because although the Lin family is so powerful that it is desperate, there is still a bottom line in doing things, and they will follow the obvious means.

But the ugly master is different. The ugly master is not only powerful, but also has an endless stream of methods. He does not play cards according to common sense. He can do whatever he wants. The background of the ugly master is also very mysterious. In addition to the Hwaseong city, his influence has also penetrated. The surrounding cities are extremely scary.

Therefore, in the circle of Hwaseong, even the rich are not willing to offend the ugly master.

Take the matter just now, Chairman Zi Qiong is indeed richer than them, but not to the point where they can't afford to provoke them. In the worst case, they will lose a little business and they will not die.

But if you offend the ugly master, it's different, but every minute will take your life.

As a result, such a powerful ugly master actually respectfully called Lin Ziming to be Mr. Lin, and he listened to Lin Ziming's orders to beat people...

They are not stupid, how can they not realize the horror of things!

Ugly Lord, it is Lin Ziming's subordinate!

Situ Nan slapped the two slaps, and he felt that his face was about to be torn off a layer of skin. It was not just as simple as the burning pain, but also a little concussion, and the brain was hypoxic, and there were bursts of pain.

However, what made him even more frightened was the superior ugly master, who turned out to be Lin Ziming's! !

He is really going crazy. Why is this? Isn't Lin Ziming the squandered son-in-law of the Chu family? Isn't Chu Fei's wasteful husband, dare not touch Chu Fei's garbage after four years of marriage? Why is there such a big backing, not just Chairman Zi Qiong, but also the master of Ugly Lord?

Is this still the world he knows? Is something wrong?

Just now I suspected Lin Ziming's Wang Shougui. At this moment, I felt slapped. The original chairman was not reckless, let alone naive, but the chairman really has this ability! Even a big person like Chou Ye called the chairman of the board Mr. Lin, that respectful attitude... Wang Shougui didn't dare to think about it anymore, he only felt his scalp numb, and he

was extremely excited. Originally, he thought that Lin Ziming's identity as the chairman of Zi Qiong was strong enough, but Lin Ziming had an even better identity!

Han Jinlong was also dumbfounded. As a person in the gray zone, he knows better than anyone how strong the ugly man is. He is a big brother in front of the ugly man, he is a younger brother, he dare not even put a fart. , As a result, even Chou Ye is the chairman of the board, this man is too awesome! The same shock occurred in the hearts of many people, including Guo Yuanjia and Guo Yuanfeng.

Now Guo Yuanfeng has his scalp numb and trembling, but he has offended Lin Ziming and said a lot of bad things about Lin Ziming!

Really, if Lin Ziming finds him to settle accounts, he will die thoroughly!

Of course, people like Huang Wenhua and others are not shocked, but fear, the fear from the bones, even the soul will tremble!

The identity of the chairman of Zi Qiong is scary enough, but now he is still the eldest brother of Ugly Master...

Guru!

Huang Dongqiang swallowed heavily. There was a little blood on his face, and he trembled. He already didn't dare to think about it anymore, he was afraid that he would go crazy if he thought about it!

His Huang family is not a small family in Hwaseong, and his business is quite big. He can barely maintain it if he offends Chairman Zi Qiong. But now, offending the ugly elder brother, there is only a dead end.

To be honest, Huang Dongqiang can be regarded as a person who has experienced strong winds and waves. He has survived all the difficulties he has encountered over the years. But now, he has no confidence at all, and he is completely desperate.
