

Chapter: 345

I kept saying: "It's over, it's over..."

After the Ugly Lord hit Situ Nan, he also started to walk towards Lin Ziming, standing beside Lin Ziming, and also respectfully shouted Mr. Lin, that kind of respectful posture was better than Wang Shougui and Han Jinlong.

Whoever sees this picture is also tingling his scalp.

Then the ugly master swept everyone, his tone full of majesty and coldness, "I am Mr. Lin's person, who dares to be an enemy of Mr. Lin, is to be an enemy of my ugly master. What will happen to you?"

When these words were spoken, it was like a piece of ice and snow falling on everyone's heads, making them feel the biting cold and shivering.

Lin Ziming withdrew his gaze from the audience, looked at Huang Wenhua, and said, "Huang Wenhua, you should fulfill your promise."

Suddenly, everyone looked at Huang Wenhua.

What happened tonight was completely beyond Huang Wenhua's expectations. At this moment, he felt the pressure, fear, regret, incomprehension, humiliation, unwillingness, and emotions flooding his heart. Originally, his health was not good, but he couldn't bear it now. He wowed and vomited blood.

His face was as pale as paper.

Even so, no one dared to help him, even the Huang family dare not, now Lin Ziming brought too much deterrence, they dare not offend Lin Ziming.

Even if he has blood relationship with Huang Wenhua, now he can't help but retreat and keep a distance from Huang Wenhua for fear of harming Chi Yu.

When Huang Dongqiang saw this scene, the expression on his face was constantly changing, and finally became sallow, as if he was several decades old in just a dozen seconds.

In the end, he squatted down to support Huang Wenhua and said softly: "Wenhua, we lost, you should fulfill your promise."

When Huang Wenhua heard Huang Dongqiang's words, his whole body trembled, tears in his eyes, and then he began to laugh, smirk, smirk, laugh, drool, and shout, "Fake, all fake, fake, Hahaha, they are all fake..."

He is crazy.

When Lin Ziming saw Huang Wenhua like this, he would naturally not have the same knowledge as him. Because he had already seen that Huang Wenhua was not only crazy, but also had no destiny.

It didn't take long before the Huang family left in a desperate manner. Before leaving, many Huang family members came to bow and apologize to Lin Ziming.

No one would have thought that tonight's engagement banquet would end

with this kind of marriage, which can no longer be described by twists and turns.

And Situ Nan, he also ran away, and now he regrets and fears, and realizes that he has caused a catastrophe. How dare he stay in Hwaseong? He came back from the banquet that night and booked a ticket overnight. Fly abroad and find a place to hide.

Soon those guests also left, full of shock and awe.

Lin Ziming, Chou Ye, Wang Shougui, Han Jinlong, and the Guo family remained.

Lin Ziming smiled at Guo Junyi and said, “Well, I didn’t disappoint you tonight. I succeeded in helping you fix Huang Wenhua.”

Guo Junyi nodded vigorously, looked at Lin Ziming deeply and said, “Thank you, Lin Ziming.”

Lin Ziming waved his hand and said, “Don’t be so polite, we are friends. It’s getting late, you can talk to your family, I’ll go now.”

After speaking, he turned and left. From beginning to end, he didn’t have anyone looking at Guo’s family with his straight eyes.
