

Chapter: 349

“These days, there have been more clowns making grandstandings.”

When Chu Tian heard these words, he was very uncomfortable. He tried desperately to explain, but he didn't believe him. Even the little beauty who originally admired him looked a bit wrong at this time, thinking that he was bragging. The attitude towards him suddenly became a lot colder, and finally found an excuse to run away.

As a result, Chu Tian felt even more uncomfortable. He was so embarrassed that he hurried home. He wanted to ask his elder sister why his brother-in-law ignored him, and he didn't go home for so many days. Intuition told him that most of the bad things happened. So he rushed home as quickly as possible and asked clearly what was inside!

Lin Ziming got into Chou Ye's car and left the hotel, followed by Wang Shougui and Han Jinlong.

He didn't expect Chu Tian to appear here. The few brother-in-law shouted just now made him feel uncomfortable, because he is no longer Chu Tian's brother-in-law.

The Ugly Master sat next to him and asked, “Second Young Master, don't you plan to go back to Chu's house?”

Lin Ziming leaned back on the seat cushion lazily, looking out the window in a daze, “I won't go back.”

“Well, it's fine if you don't return. Now you don't need the identity of the Chu family.” The ugly master nodded and shaved an orange for Lin Ziming himself. “Second young master, what are your plans next?”

“I should go back to Lin's house.” Lin Ziming said, his face still facing the window, but his eyes revealed a terrifying spirit, “There are some things that should be taken back.”

Ugly Master felt the power emanating from Lin Ziming's body at this moment, and some excitement appeared on his face. The second young master's long-lost domineering, he is back!

Then Lin Ziming said again, “However, before that, I need your help and train with me for a few days.”

The ugly master put his right hand on his chest and made a gesture of command, “The clown is willing to serve the second young master!”

.....

Recently, Chu Fei has become more and more restless, and the quality of her sleep is getting worse. Not only is it difficult to fall asleep, but she often wakes up easily in the middle of the night. After a long time, she is a little nervous.

In the company today, she made some low-level mistakes when she was in a meeting.

She didn't know why she was like this. It was clear that her life had

developed in a good direction. She succeeded in becoming the chairman of Centec, and her status in the Chu family had improved a lot. No one dared to fight her. Even Lin Ziming, who has always wanted to get rid of, has already got rid of, why is she still irritable and insomnia?

It was another day that she dragged her tired body back home and looked at the dazzling array of food on the dinner table, but she had no appetite.

I just want to take a bath and rest after eating quickly, she is really a bit tired. But when she was halfway through the meal, the door was opened and she slammed into the wall. The sudden movement shocked her.

“Chu Tian! What are you doing? Surprised! Scared to death!” Liu Suhong immediately cursed angrily.

Chu Fei also frowned, and said displeased: “Chu Tian, you are looking for death.”

Chu Tian was breathing heavily. He came back running all the way, sweating on his forehead. Chu Fei and Liu Suhong were shocked when they saw how he looked, and quickly asked, “Son, what’s the matter with you? Are you being chased?!”

Chu Fei also put down the bowl and chopsticks and walked over.

Chu Tian finally calmed down, “Brother-in-law, brother-in-law...”

Upon hearing these words, Chu Fei’s face suddenly changed!
