He clenched his fist now, and could easily blow up a tree with a diameter of 30 centimeters.

Now there is heavy goose feather snow in the sky, especially fierce, and only one color is left between the sky and the earth, snow white.

And in this white layer of snow, there are two figures jumping vertically and horizontally, fighting fiercely.

Within one kilometer, they were all their footprints. They stepped on a footprint in the snow, then they were covered by the heavy snow, and the footprints were guessed again.

Their movements are extremely fast, completely exceeding the limit that ordinary people can reach. Fortunately, this place is remote and there are no strangers. Otherwise, they will be frightened when they see this scene, thinking that they have encountered a ghost.

“I lost.”

Finally, after more than ten minutes, the two figures stopped, Lin Ziming’s five fingers were placed on the ugly neck, and the nails had cut through a layer of skin, and a little blood was leaking out. As long as Lin Ziming tried harder One point, you can cut the ugly master’s neck.

Lin Ziming showed a smile, and he retracted his right palm, “Joker, I’m back.”

Ugly Master also showed a heartfelt smile, happy for Lin Ziming, “Yes, the second young master, you are back. I believe you will find Lin Zihao again, he is no longer your opponent.”

“Thank you.” Lin Ziming looked at the clown deeply and said seriously.

There was some movement on Ugly Master’s face, and then he shook his head, still responding to Lin Ziming with his classic and humble smile, “Second Young Master, this is what I should do.”

Lin Ziming didn’t have any hypocrisy, his goal this time had been achieved, and it was time for him to leave.

“Before leaving, let’s have a good drink.” Lin Ziming suggested.

The ugly master nodded vigorously and smiled: “Okay.”

After having a meal with Chou Ye, Lin Ziming left.

Now he has improved a lot, even when facing Lin Zihao again, he is confident that he can defeat Lin Zihao.

So now it’s time for him to go back to Lin’s house to get something back.

On the next day, he received an invitation from Lin Shanhe, asking him to go back to participate in the Lin Family Association.

Lin Ziming readily agreed.

Of course, Lin Ziming didn’t set off in a hurry. He first went back to Zi Qiong and assigned all the recent instructions. He was assured that Zi Qiong would not be present in the next month and would be able to operate

normally, so he was relieved. go away.

As for the newly opened advertising company, it is even simpler. He has found a new team to come over, and his method of finding a team is also very simple and rude. , So that the vitality of Ascendas Company was greatly injured, and even more lack of capital to compete with Lin Ziming, an advertising company.

Therefore, the boss of Ascendas knew that Chairman Zi Qiong did this because when his son had offended others, he wanted to choke Situ Nan himself!

After everything was settled, the next day, he left with confidence and headed to Lin's house.

This time he went alone, so he didn't bring the ugly master.

The Lin family said they belonged to the Hwaseong family. In fact, the headquarters is more biased towards Fengcheng. It takes two hours to drive from Lin Ziming to this place.

Lin Ziming drove there, and as soon as he arrived at his destination, he saw an acquaintance standing on the side of the road blocking the car.
