

Chapter: 357

“Mr. Chu, you can rest assured that in Tingfengting, the customer has absolute confidence. We will not disclose any confidential business when we talk about it.” Xiao Cheng said confidently, saying the three words Tingfengting. He is very proud.

In fact, Chu Fei’s heart was not as calm as it was on the surface. When she heard that a member was worth five million, she was still very shocked. Because Xiao Cheng had a good guess. Although she is now the chairman of Centec Lighting, she still doesn’t know how much money she has made. In terms of her mentality, she still has the concept of an ordinary class.

“It made Mr. Xiao spend money.” Chu Fei tried her best to maintain a plain attitude. Anyway, she is now the chairman of the board. She came over to talk about business in person. In case she acts like a bunny and doesn’t treat her image well, wait. Talking about chips is not good either.

“No expense, no expense.” Xiao Cheng suddenly looked at Chu Fei directly, and said with a smile: “Chu, we are all people of the same age. We always yell at all times. It’s a bit rusty. I listened. It’s also awkward. If you don’t mind, just call my name Xiao Cheng, I also call you Chu Fei, what do you think?”

What he said was very warm and friendly, which made people feel comfortable to hear.

Chu Fei was stunned for a moment, then she nodded and said, “Okay.”

She doesn’t care much about these illusions. The key is how to negotiate a good business and how to distribute profits is serious.

The Tingfeng Pavilion occupies a large area, and it takes two minutes to walk from the parking lot to the gate.

Xiao Cheng walked in the forefront, with his head held high, he took out his membership card from his arms and handed it to the guard at the door, saying, “I am a black gold membership card. Bring two friends for tea.”

“It turned out to be Mr. Xiao, Tingfeng Pavilion welcomes Mr. Xiao to come again!”

More than a dozen door guards bowed to Xiao Cheng together. The grand scene made Xiao Cheng special.

When Chu Fei’s secretary saw this scene, the light in her eyes became more intense, and her face flushed with excitement.

Even Chu Fei felt a little shocked. It was the first time she heard that there is a place called Tingfeng Pavilion, which covers such a large area, is decorated so luxuriously and upscale, and is so stylish. This is something she didn’t have before. I thought about it.

Suddenly, she couldn’t help but think of someone. If Chairman Zi Qiong came here, maybe he would be treated like this?

“Chu Fei, let’s go in. I have ordered someone to make the tea ahead of time.

The tea here is very famous. There are many items in the Tingfeng Pavilion. In addition to drinking tea, you can also swim and soak in hot springs. Horse racing and so on, when we finalize the cooperation, we can stay and play for two days.” Xiao Cheng said with a smile, he now looks like a host.

The reason why Tingfeng Pavilion is famous is not only because of its quiet environment and protecting guests **. It is very important that there are many projects in Tingfeng Pavilion. You can play it here as long as you want to play!

Moreover, here, you can meet many unexpected dignitaries, celebrities, bosses, etc...

Five million, more is a qualification to buy, a circle.

However, when Xiao Cheng was taking Chu Fei and the secretary to go in, suddenly, two men in suits rushed over, their faces were heavy, and when they were in front of Xiao Cheng, they said apologetically, “Honorable Mr. Xiao , I’m not too embarrassed. We have temporarily upgraded the Tingfeng Pavilion. Your current Black Gold card level cannot enter Tingfeng Pavilion for the time being. We are very sorry for the inconvenience caused to you.”
