

Chapter: 361

There is a smile on his face, but if you look closely, you can still see the bitterness in his smile, the sadness and the sadness in his eyes...

Chu Fei saw him coming, and her face changed a little more. Finally, after a few seconds, she looked up and smiled and said, "Is that right, I'm fine, how about you, how are you??"

"Well, I'm fine too."

Their conversation, anyone with a discerning eye knows that it's not normal. The secretary's expression on the side was also wonderful, filled with surprises and gossip. Her eyes kept peeking at Lin Ziming, obviously she knew Lin Ziming and knew Lin Ziming's identity.

After a simple greeting, there was an abnormal silence, neither of them knew what to say.

At this time, Xiao Cheng discovered something was wrong, he smelled the smell between Lin Ziming and Chu Fei, and squinted his eyes, showing great hostility towards Lin Ziming!

In his mind, Chu Fei was already listed as his prey, and he must be hunted, and the appearance of Lin Ziming was the greatest threat to him.

The eyeballs gurgled around twice, and he was thinking of a solution quickly in his heart. After a few seconds, he smiled and took the initiative to approach Chu Fei with a smile and asked Chu Fei: "Chu Fei, this one What is sir?"

His opening broke the silence between the two of them. Chu Fei raised her head, looked at Lin Ziming, her mouth moved, as if she was thinking of a vocabulary to describe Lin Ziming.

Are you friends? It seems inaccurate, between the two of them, in fact, they have never experienced the friend stage.

Is it an ex-husband? It's not very nice. Besides, Xiao Cheng is just one of her partners, and she has no need to tell Xiao Cheng about her personal affairs.

What can you say? Colleagues, classmates, relatives?

For a while, there seemed to be no words that could accurately describe her, so she was embarrassed.

Seeing that Chu Fei hadn't answered for a long time, Xiao Cheng probably knew what was going on, and there was even more gloom in his eyes!

Needless to say, this man must be Chu Fei's predecessor.

To be honest, he was very upset, and he felt particularly uncomfortable when he thought that a woman such as Chu Fei had been enjoyed by other men.

Of course, on the surface, it is impossible for him to express this. On the contrary, he smiled more brilliantly, and took the initiative to stretch out his hand and said to Lin Ziming: "Hello, my name is Xiao Cheng, it is Chu

Fei's good friend."

He deliberately pronounced the word 'good friend' more heavily, and there was some ambiguity on his face.

How could Lin Ziming not feel Xiao Cheng's hostility and provocation? To be honest, he was not very comfortable in his heart. In any case, Chu Fei was his ex-wife. How long has it been since the divorce is related to another man? Up...

Hey!

However, this is Chu Fei's freedom. He, a past person, can't say anything, so he had to suppress the uncomfortable feeling in his heart, smiled and shook hands with Xiao Cheng...

However, as soon as he shook his hand, Lin Ziming felt a strong force, which came from the opponent's hand, squeezing his fingers loudly...

This is deliberately making things difficult for him, which is kind of interesting.

Lin Ziming snorted coldly, revealing a meaningful smile, and then he also started to use his strength...
