

Chapter: 362

This man named Xiao Cheng had a little hand strength, he was a little stronger than ordinary people, and Lin Ziming was also a little bit painful when he didn't have any power. But that's all, if he wants to compare his hands, he has no fear of anyone.

Just kidding, with his current strength, let alone an ordinary person like Xiao Cheng, even the big man in the gym is not his opponent at all, so he can easily crush him.

Originally, Lin Ziming didn't want to make things difficult for him. Anyway, now he has divorced Chu Fei. He shouldn't interfere too much with Chu Fei's freedom to make friends, as long as this person is not plotting against Chu Fei. Up.

But now, the other party is directly making things difficult for him, so how can he make concessions?

So after a brief stupefaction, he immediately began to fight back.

On Xiao Cheng's side, after he shook hands with Lin Ziming, he had a nasty smile on his face, thinking that he could crush Lin Ziming 100% and make Lin Ziming feel embarrassed.

He has absolute confidence in his hand strength. Regardless of his gentle and gentle appearance, he actually went to the gym to work out in private. He has a good body and muscles, and his strength is much larger than that of ordinary people. .

He goes to the gym to exercise. There is no other reason, because he loves female sex, and he has to have a good physique to play with more women, otherwise his body will become weak all of a sudden.

Moreover, in his opinion, Lin Ziming is weak and has no muscles on his body. At first glance, he knows that he is the type of otaku who lacks exercise, and there is probably a sub-healthy type. This kind of rubbish, he is still abused. Not easy?

It's just that he didn't expect that he had hit the iron plate this time!

After he was stunned for two seconds, he immediately felt an unprecedented force in his right hand, which was completely devastating, squeezing his palm into a strange shape, and his fingers shook.

The intense pain caused him to change his face suddenly, and he couldn't help but let out a scream, "Ah!!!"

It was so painful, he was about to cry, and his body was bent a lot. Now he, where there is the power and prestige just now, was suddenly embarrassed a lot, grinning, shivering.

Lin Ziming accepted it as soon as he saw it. He didn't make things too difficult for Xiao Cheng, so he took the initiative to let him go, and said with a smile: "My name is Lin Ziming, and I'm also Chu Fei's friend."

After being let go, Xiao Cheng felt his whole body relax and took a few

breaths.

His face is even more ugly now, this guy Lin Ziming actually caused him such a big embarrassment, fuck!

Chu Fei glanced at Xiao Cheng with some sympathy. This guy couldn't think so much. He wanted to compete with Lin Ziming. Isn't this purely looking for abuse?

“What are you doing here?” Chu Fei asked.

“Go in to listen to the Fengting Pavilion and drink tea, how about you?” Lin Ziming also asked, they are now more polite than ever, so polite that even they think it is absurd.

The secretary on the side looked at them with super gossip eyes...

Chu Fei's mind was a little confused. She didn't have a taste of what Lin Ziming meant for a while, and nodded subconsciously and said, “I came to listen to Feng Ting too, but we were rejected by Feng Ting. Black gold members can't Go in.”
