

Chapter: 363

“Oh, is that so.” Lin Ziming nodded, “I am also a member of Tingfeng Pavilion. I can take you in for tea together. Would you like to be together?” Chu Fei didn’t have time to speak yet, Xiao Jingcheng on the side chuckled out, “Haha, I said Mr. Lin, have you ever made a joke, do you know where Tingfeng Pavilion is? Only the top in the circle? Only the rich are eligible to go in for consumption. It costs five million to get a membership card! It happened to be the upgrade of Fengting this week, and you need more than 10 million Zijin cards to enter. Would you tell me that you have a Zijin card?”

Xiao Cheng’s words were yin and yang weird, full of ridicule and ridicule. He had originally thought Lin Ziming was not pleasing to his eyes, and through what had just happened, his hostility towards Lin Ziming became even greater.

Chu Fei also came back to her senses, yes, this is Tingfengting, the most ordinary member would have to spend five million to buy it, how can Lin Ziming have so much money?

Lin Ziming said: “I really don’t have a purple gold card...”

“That’s not it!” Xiao Cheng said, clapping his hands, “Tingfeng Pavilion is not an ordinary clubhouse, ordinary people are not qualified to come.”

Lin Ziming smiled and said, “I don’t think you can get in right now.”

These words directly irritated Xiao Cheng, and he immediately became excited, “What do you know? I am a distinguished black gold member! In total, I spent six or seven million in Tingfeng Pavilion! Six or seven million, do you know what the concept is? Well, ordinary people can’t make this money for a lifetime! Mr. Lin, it’s not that I despise you, do you really know where Tingfeng Pavilion is?”

Chu Fei frowned slightly. Xiao Cheng’s words made her secretly agree. Yeah, Tingfengting is a top rich person who is qualified to consume. Lin Ziming is just an ordinary person. Where can the confidence come from? Listen to Fengting tea? Did Lin Ziming know a chairman Ziqiong?

Lin Ziming didn’t feel angry, he still kept a smile on his face, and said, “Of course I know where the Tingfeng Pavilion is. Actually, I just... Forget it, I have a membership card and I can take you with you. Come in for tea together, do you want to be together?”

When he said this, his gaze was on Chu Fei. I don’t know why, he now has an inexplicable **, just want to show his powerful side to Chu Fei, so that Chu Fei feels regretful.

Chu Fei and Lin Ziming looked at each other, and then she said, “Forget it, I’m not interested in Tingfengting.”

“Oh, that’s a pity.” Lin Ziming said with a bit of disappointment.

However, at this moment, Xiao Cheng said: “Hey! Chu Fei, since Mr. Lin is

so confident, let Lin Ziming take us in and see how great his face is, hahaha.”

With a mocking and disdainful expression on Xiao Cheng’s face, he looked at Lin Ziming coldly, but wanted to see how embarrassing this idiot Lin Ziming was.

He asked himself that he had a very accurate vision of people. At a glance, he could tell that Lin Ziming was just an ordinary person. He was definitely not a big person. He was probably a working class and earned several thousand yuan a month. Such a person said he was qualified to come in. Listen to the wind pavilion, what international jokes are you making?

Not to mention that Tingfeng Pavilion was upgraded just in time for this week. Only when you have a level above the Purple Gold Card can you come in and consume. Lin Ziming will not be able to get the Purple Gold Card even if he is dead.

Chu Fei frowned. She didn’t believe that Lin Ziming could take them in. She shook her head and said, “Forget it.”

Lin Ziming smiled and said, “Nothing, I’m familiar with Fengting, so I can go in with a brush.”

With that said, he began to take the lead to walk towards Tingfeng Pavilion...
