

Chapter: 366

Lin Ziming was also taken aback when he heard the second young master, and when he looked over, he saw a familiar person standing in the front, looking at him with shocking eyes.

“Lin Feng?” When Lin Ziming saw this man, he also cried out unexpectedly. It was wrong. The one standing in front of him at this time was exactly what he had just mentioned, Lin Feng, one of the senior members of Fengting Pavilion.

Lin Ziming’s expression is a little weird, which is really a coincidence, as soon as he talks about Cao Cao, Cao Cao will be there.

Next to Lin Feng, there were a few people, all from the management of Tingfengting. When they saw Lin Ziming, they were also very surprised, even with some awe and inconceivability.

They looked at each other and exchanged glances, how come Lin Ziming has returned to the Lin family?

Lin Feng immediately speeded up his pace and walked over. When he came to Lin Ziming, his expression was a little excited and awe. He opened his mouth and was about to call the Second Young Master again. Lin Ziming spoke first, “Lin Feng, I want to bring some A friend went to the Tingfeng Pavilion for a cup of tea and prepared a box with a Tianzi size for me.”

Lin Feng is a wise man. He immediately understood it from the look in Lin Ziming’s eyes. He resisted many doubts in his heart, nodded solemnly, and said, “Okay, Mr. Lin! I will arrange a Tianzi box for you!”

“Yeah.” Lin Ziming nodded lightly, and then said to Xiao Cheng and Chu Fei, “Come in together, Pin Yipin Tingfeng Pavilion’s best red robe, you won’t be disappointed.”

At this time, Xiao Cheng was completely stunned. The Tianzi box, my dear! As a black gold member of Tingfeng Pavilion, Xiao Cheng is very clear about the concept of Tingfeng Pavilion’s Tianzi box. It is the best box in Tingfeng Pavilion and a symbol of status! As a black gold member of Tingfeng Pavilion, he can only spend in the yellow box. Even the richest and highest-ranked in his circle can only spend in the local box.

That’s the case. The Tingfeng Pavilion is also divided into levels. There are boxes of the level of Heaven and Earth Xuanhuang, and the lowest level is the yellow box. It is said to be the lowest level, but it also has everything, especially high-end. At most, he has been to the Xuanzi box with the boss, and that has opened his eyes! Now he can’t even imagine, what is the concept of the Tianzi box?

At this moment, when he looked at Lin Ziming, he only felt that his hands and feet were cold, and his scalp was numb, extremely panic, and even a little trembling.

At this moment, he couldn’t guess that Lin Ziming is an absolute big man,

but he can not be offended by someone like him who loves even five million recharged members!

As for the two guards who mocked Lin Ziming just now, they also turned pale, shivering a little, and swallowed heavily.

As the guards who have been in Tingfeng Pavilion for three years, they know better than Xiao Chengke, what level of people can consume the Tianzi box! That is simply a big person among big people. Needless to say, even Lin Feng must be so respectful to Lin Ziming.

Now they realized that they had caused a great disaster, and their fear was extremely extreme. Lin Ziming swept over, and they collapsed immediately. Without thinking, they thumped and knelt in front of Lin Ziming reflexively, and smashed their heads vigorously. , Desperately begging for mercy, “I was wrong, I was wrong! I beg Mr. Lin to ignore the villain’s mistakes, don’t be the same as us...”

“We were wrong. We didn’t know Taishan, and we offended Mr. Lin. We should die! I beg Mr. Lin to treat us as a fart and let it go...”

They all knelt in front of Lin Ziming, kowtow hard, bang bang, and bang to a solid. After a while, a lot of blood shed on their foreheads, making everyone around them feel painful when they see it.

But even so, they did not dare to stop and continued to kowtow hard.

It is undeniable that they have worked in Tingfeng Pavilion for three years and have met many big people. Unconsciously, they have a much higher vision. They also think that they are big people invisibly, so when they face the black gold member of Xiao Cheng , I didn’t even care about it. Seeing Lin Ziming’s ordinary image, I didn’t care about it even more.
