

## Chapter: 368

Lin Ziming looked at Chu Fei's face that was familiar to the bones but became strange again. At this moment, his heart was also extremely complicated. It seemed that there were 10,000 words to say to Chu Fei, but when it came to his lips, he became dumb and couldn't say a word.

The same is true for Chu Fei. She lowered her head and held up the teacup, but her gaze was too imaginary, and she didn't look at Lin Ziming squarely.

The Tianzi box is very magnificent, in the body, just like in a fairyland, with a huge area, small bridges and flowing water, it seems like a small world.

Even the men and women who serve here are absolutely top-notch handsome men and women. Anyone who can be pulled out can be a star or a model. But here, it's just a waiter.

Lin Ziming returned here, and his feelings are also very complicated. Speaking of which, he hasn't returned here for more than four years. Tingfeng Pavilion was founded by his grandfather, and he was going to inherit it from him at that time.

be quiet.

The two of them sat silently, Lin Ziming waved his hand, and sent out the dozen or so waiters in the box. Lin Ziming and Chu Fei were the only ones left in the big box.

There was silence for two full minutes, no one said a word, and the atmosphere became more embarrassing and abnormal.

At this moment, Lin Ziming's cell phone rang, he took it out and answered the call. Chu Fei subconsciously looked over, and immediately saw that Lin Ziming's cell phone was still the old domestic phone, which was given to him by Chu Fei. Now it is very broken, but Lin Ziming is still using... This little detail made Chu Fei's heart even more ripples.

Lin Ziming didn't realize this, he took the phone, said a few words, his face changed slightly, then nodded and said, I know, and hung up the phone.

He opened his mouth first and said to Chu Fei: "I'm sorry, I have something to do temporarily, I need to deal with it, so I won't accompany you."

Hearing this, Chu Fei felt a little disappointed in her heart, showing something on her face. She squeezed out a smile and said, "Nothing, go ahead and leave me alone."

Lin Ziming caught this loss of hers and was slightly startled.

"You can stay in the Tianzi box and spend as much as you like. If you have everything you need, just order the waiter. They can meet all your requirements." Lin Ziming said with a smile.

Chu Fei moved her lips and wanted to say something, but she still didn't say anything later, and finally just nodded and said a good word concisely.

Lin Ziming went out, and Chu Fei was left in the Tianzi box.

She relaxed and started to look at this so-called Tianzi box...

Just now she was full of thoughts and didn't pay attention to the environment inside. Now she can see that the box of Tianzi is not simple. People are here, and she feels very comfortable and relaxed. Originally, her spirit was quite exhausted, but now she is also energetic. a lot of.

The more you observe, the more surprising you are. Any place in the box of this day's name is carefully carved, and every object is a work of art with extraordinary value. Chu Fei also saw a lot of tools made of gold.

After a while, two waiters came in and asked Chu Fei politely what she needed. Chu Fei made some excessive demands in a tentative manner, unexpectedly the waiters agreed.

She even mentioned whether she could invite a popular star to sing to her. She had no hope at all. She didn't expect the waiter to agree directly and told her with a smile that the popular star happened to be nearby Feng Feng. Cheng, just after the concert, I can come over and sing for her one-on-one within half an hour!

When she heard these words, she was stunned, thinking that Ting Feng Ting could help her fulfill such a request.

You know, she also knows some connoisseurs in the entertainment industry. She wants to invite this popular star to sing, and the appearance fee is not less than five million. As a result, she can invite over with a word, and she does not need to spend a penny!

This is too...exaggerated!

Chu Fei was really shocked. In addition, she had several requirements that sounded impossible to achieve. The two waiters did not show any surprise or embarrassment, so they agreed without hesitation, but they all needed some time. Only time.
