

Chapter: 374

When Tang Chenghong first saw Lin Ziming, he was really scared. After all, Lin Ziming used to be very prestigious and stabilized Lin Zihao. He was rarely bullied by Lin Ziming before.

But immediately he realized that he didn't need to be afraid of Lin Ziming. Now Lin Ziming has been expelled from the Lin family. He is just a bereavement dog. He also heard that Lin Ziming is still the son-in-law of the Chu family. It is just a waste. , He has no reason to be afraid of Lin Ziming at all!

On the contrary, now is his chance for revenge.

You must know that Zihao Lin is backing him behind him, and now Zihao Lin is the pillar of the Lin family. Lin Zihao still has an enemy with Lin Ziming. If he gets Lin Ziming, Lin Zihao will reward him then !

Although Lin Ziming now has Lin Changtian's 50 billion inheritance, so what? Can that money give Lin Ziming power and status? Can you get the Lin family right? This is impossible.

The Lin family's big business is big, how can a little Lin Ziming be able to contend?

So after thinking about this, he was completely worthless, and directly attacked Lin Ziming.

The smile on Lin Ziming's face remained unchanged, but the ice in his eyes became more and more intense, staring straight at Tang Chenghong's eyes, as if he could see through Tang Chenghong.

Tang Chenghong was staring at him like this, and his heart felt a little hairy, but he was also someone who had seen big scenes anyway, and his identity was high enough that he was not afraid of Lin Ziming after he thought about it.

Lin Feng stared closely at the side, his heart twisted into a ball, especially nervous.

Deep down he was on Lin Ziming's side, but he didn't dare to offend Tang Chenghong, thinking that Lin Ziming could not match Tang Chenghong.

"Fatty man, do you think that if you are covered by Lin Zihao, you can do whatever you want?" Lin Ziming said with a smile.

Tang Chenghong snorted, he stepped forward, raised his head, looked at Lin Ziming with extreme arrogance and contempt, and said, "Lin Ziming, I heard that you are the son-in-law of the Chu family now? Hahaha, dignified. The second young master of the Lin family actually became the son-in-law of the little Chu family. You are really a shame to the Lin family. I heard that you are quite famous in the entire Hwaseong city. You are a famous rubbish. Just like you rubbish, you still want me Apology? Bah!"

He pointed to Lin Ziming's nose and continued: "Now I give you a chance to kneel down and kowtow nine times! If you admit your mistakes ten times,

I can consider letting you go. Otherwise, don't blame me for not reminiscing. Love, let you peel off!"

As he said, he snapped his fingers, and several thugs came up at once, surrounded Lin Ziming, staring at him, and Lin Ziming meant to violently attack Lin Ziming if he didn't kneel down and kowtow to admit his mistake. What is Huluo Pingyang being bullied by a dog? Lin Ziming is in such an environment now.

However, at this moment, Lin Ziming smiled suddenly, "Deadly fat man, originally I thought you were my cousin, but I just wanted to teach you a lesson. Now it seems that if you don't teach you a lesson, you are I don't realize my stupidity anymore."

When Tang Chenghong heard this, his face suddenly changed. Seeing Lin Ziming's familiar sneer, he subconsciously panicked, and immediately backed away and wanted to run, "Lin Ziming, you..."

Before he could finish his words, Lin Ziming grabbed him by the collar and pulled him over, then opened his bow left and right, slapped him in the face. In just a few seconds, Lin Ziming slapped more than a dozen slaps on his face, each of which was full of weight. Suddenly Tang Chenghong's fat face was completely turned into a pig's head!

Lin Ziming beat people with anger, every time he slapped him with no mercy. After a dozen slaps, Tang Chenghong screamed like a pig in pain, and instantly blood shed from the corners of his eyes, nose, and mouth.

He fainted with one slap, and woke up with pain in the next slap, which was very miserable and embarrassing.

After dozens of slaps, he was dying, his eyes were red and swollen, and he could only narrow a gap with difficulty. The revealed eyes were full of fear and regret, shivering, where is the arrogance just now? Now he is dying to beg for mercy: "Wrong, I was wrong...Second Young Master, please let me go..."
