

Chapter: 376

“two.....”

Lin Ziming counted to two, and everyone else in the audience was afraid to speak. They held their breath, leaving only Lin Ziming's voice.

Counting the number two, Lin Ziming took a step forward. Immediately, for Tang Chenghong and others, it was Mount Tai lowered and the huge waves rolled over, so that they could not breathe at all, and their bodies suffered a huge amount. The pressure is beyond their limits, and they are all trembling at this moment, and their legs are swinging.

Tang Chenghong's flushed face, now slowly faded away, and became paler. As the person involved, he was under the most pressure from Lin Ziming. The fear of Lin Ziming before, at this moment, all swept through, directly crushing his heart, and his mental breakdown. With a thump, he knelt in the forest. Ming front.

He knelt, he really knelt, even in front of Lin Zihao, he never knelt like this! This scene may not have anything to others, but for Lin Feng, it was unprecedentedly huge, because he knew Tang Chenghong's strength best. Even if Lin Zihao is backed up by a big man, Tang Chenghong himself is also a big man. There are dozens of companies under him, and annual profits are in the hundreds of millions. The key Tang Chenghong, the Tang family behind Tang Chenghong, although not as vocal as the Lin family, is not a small family.

As for Lin Ziming, he has now been expelled from the Lin family. Even if he has Lin Changtian's more than 50 billion inheritance, he still has a big distance from Tang Chenghong in terms of energy!

In the past few years, Lin Feng has been less coerced and bullied by Tang Chenghong, and already has a deep fear of Tang Chenghong. But now, such a person who was riding on his head and shit, actually knelt in front of Lin Ziming so neatly, the shock it brought him was tremendous!

He clenched his fists, his face was so excited that he started to flush, his heartbeat speeded up suddenly, and he thumped and thumped. At this moment, he secreted a lot of adrenal hormones, and the whole person was in a state of excitement, relief, and joy!

He even had tears in his eyes, and he felt really relieved.

At exactly this moment, Xiao Cheng, who had been away for a while, went back and forth. He didn't stop on the way he left, and began to inquire about Lin Ziming's identity to see if he was really such a powerful figure.

But after he investigated, he immediately became so annoyed!

It turned out that Lin Ziming was just Chu Fei's door-to-door son-in-law, just a trash, at best he had some friendship with Han Jinlong. But Han Jinlong is just a little guy, he doesn't care about it at all.

Besides, even if Lin Ziming's background is doubled, what about?

He is now following Tang Chenghong. This is a big man who can eat well in Fengcheng and Huacheng, and he is especially short-sighted. Even if he offends Lin Ziming at that time, it won't be a big deal!

So the more he thought about it, the more annoyed he became, and the more he felt at a loss, and in the end he couldn't help but want to come back and find a place.

But as a result, how long he had just come in to listen to the wind pavilion, he saw this scene in front of him. In his eyes, the omnipotent, the gangster Tang Chenghong, who can eat well in the circle, actually knelt before Lin Ziming shivering, and his face was beaten into a pig's head!

This scene was extremely shocking to him, even far exceeding the shock in Lin Feng's heart.

After the shock, it is the extreme fear, deep into the bone marrow, reaching the fear of the soul, trembling!

His arrival attracted Lin Ziming's attention, and his eyes swept over...

This scan didn't matter, it broke Xiao Cheng's mentality directly.

Immediately, his legs became weak, and he lost the support of his strength, fell to the ground, and peed his pants.
