

## Chapter: 377

His top boss, in his mind, a god-like existence, actually kneeled in front of Lin Ziming like a dog, kowtow to admit his mistake. So how big is Lin Ziming's background? He did not dare to imagine that he had exceeded his limit.

Lin Ziming saw Xiao Cheng come back and fell on the ground to pee his pants. His expression was a little weird and he didn't know what was going on.

However, this does not affect him to teach Tang Chenghong.

He walked up to Tang Chenghong and stared at him condescendingly, "kowtow, apologize."

Now Tang Chenghong is completely brave, what dignity, what he relied on, what arrogance, all disappeared completely at this moment, his mouth trembled a few times, and under the pressure of Lin Ziming, he completely collapsed and began to kowtow. Apology: "Second Young Master, I was wrong, I was really wrong, I shouldn't be rude to the old man..."

Bang, bang, bang.

All of a sudden, he kowtowed to Lin Ziming and finished a sentence with great difficulty.

The audience was silent, and there was no sound. This scene was extremely shocking for everyone, and after the shock, it was a thick numbness.

Yes, afterwards they couldn't feel the shock anymore, just numbness. The whole person feels unreal, as if they are dreaming.

Lin Ziming accepts it as soon as he sees it, not too embarrassed Tang Chenghong, after Tang Chenghong finished apologizing, he kicked Tang Chenghong over and stepped on his chest, condescending, coldly despising him, "Also, if you dare If you are troubled by the Chu family, if you move anyone, I will make you worse than dead. No one can save you. If you don't believe me, I can try."

Tang Chenghong was stepped heavily on his chest, and he couldn't breathe. His face flushed again. He couldn't say a word clearly, so he nodded desperately and said with difficulty: "Uh, uh, uh... .. Second Young Master, I dare not, really dare not..."

Lin Ziming didn't let him go immediately, but looked directly into his eyes, and only let go of him after ten seconds.

Spit out a word coldly: "Go away."

When Tang Chenghong heard this word, his whole body was so tight that his nerves instantly relaxed, and he gasped for breath.

Already had a cold sweat!

He wanted to get up, but found that he was already weak, so he had to call his men to help him up, and then ran away dingy.

Lin Ziming remained motionless, watching them leave quietly.

After a while, Lin Ziming and Lin Feng were left.

Lin Ziming turned around, looked at Lin Feng, smiled and said, “Lin Feng, are you scared?”

Now Lin Feng’s expression is indeed a bit horrible, and when he heard Lin Ziming’s words, his body trembled involuntarily.

The constricted pupils slowly returned to normal, and he was silent for a while, and said: “Second Young Master, Tang Chenghong is from Young Master. You just treated him like this, Young Master, he won’t let you go.”

“Do you think I am inferior to Lin Zihao?” Lin Ziming asked Lin Feng with a smile.

Lin Feng nodded reflexively, then shook his head hurriedly, and finally he said bitterly: “Second Young Master, it’s not that you are inferior to Young Master, but Young Master is more energetic now, and you are still just starting out.”
