

## Chapter: 378

Lin Feng's worries were not justified. Since Lin Ziming was expelled from the Lin family, Lin Zihao has been the best child of the Lin family and has become an absolute core figure. Although the current head of the family is Lin Shanhe, Lin Zihao's methods are so powerful that Lin Shanhe has always cultivated Lin Zihao as his successor, and his love for Lin Zihao even exceeds that of his biological son Lin Shaoang. If no accident, the next head of the Lin family will be Lin Zihao's.

Lin Ziming walked out of the room and looked into the distance. His eyes became long and deep, and he did not answer Lin Feng positively. Instead, he said, "There are some gaps that cannot be compensated by external factors."

I don't know why, when Lin Feng saw Lin Ziming's indifferent appearance at this moment, he suddenly became full of confidence in Lin Ziming.

Perhaps, the second master really has a way to defeat the eldest master?

.....

After Tang Chenghong came out of the Tingfeng Pavilion, he let out a terrible roar, "Grass!!!"

His wild roar shocked the passers-by and looked at him displeasely. Two young men who seemed to be quite rich complained about him and were immediately caught by his bodyguards. , Slapped a few times, and ran away dingly, knowing that he had provoked someone who shouldn't be offended.

Tang Chenghong gritted his teeth now, clenched his fists, his face was flushed, and his eyes also exuded monstrous anger, looking particularly hideous and scary.

He turned around and said fiercely to these people: "You are not allowed to say a word about what happened just now, you know! Otherwise, you know my temper."

Everyone shuddered, and shook their heads hurriedly, saying that they would not say anything about the death.

Tang Chenghong's expression looked better now. He got into the car, his eyes burst with unprecedented coldness and anger, and gritted his teeth and said: "Lin Ziming, you damn it! Wait, you won't be surnamed Tang if I am immortal!"

Tang Chenghong had never suffered such humiliation. Thinking of what happened just now, Tang Chenghong felt extremely uncomfortable, and his chest exploded.

He swears in his heart that he must take revenge and return the shame Lin Ziming inflicted on him just now ten times a hundred times!

However, thinking of the coercion that Lin Ziming had brought him just now, he couldn't help but shudder, and he had lingering fears. He had already planted the seeds of fear for Lin Ziming. He thought for a while and

decided to tell Lin Zi what had just happened. Hao, file a complaint with Lin Zihao, let Lin Zihao take action and avenge him.

Whoosh!

An arrow shot from the bow and arrow at a very fast speed. Almost instantly, it hit a wild boar running tens of meters away. It hit the wild boar's neck and fell to the ground.

“Master is mighty!”

“Master is awesome!”

“So handsome!!”

“Alas.....”

With a burst of applause, Lin Zihao put down his bow and arrow and showed a satisfied smile. He was in a good mood today and came to Fengcheng to hunt.

Lin Zihao is a person with violent blood flowing in his bones. He especially enjoys the feeling of his prey falling to the ground, and he will have a strong sense of pride!

Just as he rode over and was about to pick up the prey, a jeep drove up quickly and quickly stopped beside him. Three people jumped out of the car. One of them was full of humiliation and humiliation. Angrily Tang Chenghong, his eyes became red when he got out of the car, and he walked quickly to Lin Zihao and said grievously: “Cousin, I was beaten by Lin Ziming. You have to be the master for me!”
