

Chapter: 381

Everyone frowned, expressing their displeasure, and Lin Shaoang said in a deep voice, “San Shu Gong, are you old and confused? Lin Ziming was born with a rebellious brain, and he has been particularly rebellious since he was a child, like his dead ghost mother. , We really took him back. When he grows up, our Lin family will have to be played to death by him.”

Then, Lin Shao-ang said with a calm face and a more low tone: “Don’t forget, who is Lin Ziming’s mother! Now Lin Ziming doesn’t know his mother’s true identity, but once he knows his mother’s identity, you Do you think Lin Ziming will still treat the Lin family as his home?!”

As this sentence fell, everyone held their breath, thinking of something, some fear flashed across their faces...

At this moment, there was a tall figure, striding in from the door, followed by several people behind him.

“Little Lin Ziming, did you scare you like this? Humph!”

Suddenly, everyone’s eyes were looking towards the door, and it was Lin Zihao who walked in most of the way, with an open and disdainful expression on his face, his eyes swept across everyone, full of aura.

When everyone saw him coming in, they all calmed down, including Lin Shaoang. His original vigorous aura suddenly weakened a lot, and Lin Zihao stabilized his head.

After Lin Zihao walked in quickly, he walked in front of Lin Shanhe and shouted respectfully: “Father!”

Originally, Lin Shanhe was just his uncle, but after his father Lin Sheji died, he soon adopted Lin Shanhe as his son and became the young master.

He is also the first heir to the next Patriarch of the Lin family.

Lin Shanhe looked at Lin Zihao who was respectful in front of him. The corners of his mouth raised slightly and gave out a proud smile. He liked Lin Zihao from the bottom of his heart and was also proud of Lin Zihao.

“Zihao, it’s just right that you are back.” Lin Shanhe took Lin Zihao’s hand and sat down beside him, very enthusiastic, even for his biological son Lin Shaoang, he was not so enthusiastic.

Lin Zihao said: “Father, the young Lin Ziming is not to be afraid. Tomorrow will be the clan meeting. If he really dares to come over, I will let him vomit back the 50 billion inheritance!”

“Okay! Believe in you for my father!” Lin Shanhe patted Lin Zihao hard on the shoulder, full of confidence in Lin Zihao.

Indeed, in the past two or three years, Lin Zihao has never let him down.

With Lin Zihao’s words, the expressions of dozens of Lin’s family members present at the scene were obviously relaxed. Lin Shanhe can’t help but feel relieved to Lin Zihao. They are also the same. There is no way. What Lin Zihao has done in the past two or three years It was too dazzling and

completely covered up Lin Shao'ang. Now Lin Zihao is the eldest master of the Lin family.

Next, a group of Lin family discussed some details, and the meeting began to adjourn.

The next day, Lin Ziming came over on time to participate in the Lin family's clan meeting.
