

Chapter: 389

Taking a deep breath, for the sake of the overall situation, Lin Shanhe still endured it. After flicking Lin Ziming's money, he had a chance to teach Lin Ziming!

So he continued with a smile and said: "This is Hangzhou's best Longjing, Ziming, if you like it, you will get it for you as much as you want."

"Really? Then give me ten catties first." Lin Ziming grinned.

Lin Shanhe twitched the corners of his mouth again, ten catties of the best Longjing, you think this is Chinese cabbage!

Many people have great opinions on Lin Ziming, but they dare not show it.

"Okay, I'll get it for you when I look back." Lin Shanhe felt that his face was stiff with laughter. Since he became the head of the house, he hasn't been so embarrassed!

After a pause, Lin Shanhe continued: "Ziming, then look at what I just said..."

Lin Ziming interrupted him and said, "Uncle, this incident was so sudden, it made me feel a little rushed for a while, so let's think about it when I go back."

Damn it!

Lin Shanhe cursed inwardly. He found that he was really going to be mad at Lin Ziming, and he had the impulse to explode at any time. How could he not know that Lin Ziming was so annoying that he didn't get oil and salt in the past.

Lin Shanhe winked at the others and came up together to 'plead' with Lin Ziming. It didn't matter anymore, let Lin Ziming's money come over and talk about it first.

All of a sudden, so many people begged Lin Ziming for mercy. The picture was still very spectacular. Lin Feng who was not far away looked at this scene and had an unreal feeling. He knew very well that the Lin family members present had all their status in society. It's quite high, it wants the wind to get the wind, wants the rain to get the rain, but now, collectively begging Lin Ziming...It can be imagined that if he filmed this scene and spread it out, it would definitely be in society. There was a storm.

Finally, Lin Ziming seemed to be moved. His face was moved, and he said: "Oh! Brothers and sisters, uncles and uncles, you don't need to say any more. Now that the Lin family is in trouble, I really have an obligation to help. After all, I The blood of the Lin family is also flowing in the body, isn't it?"

Everyone was very happy when they heard what he said. They looked at each other and saw the joy and success in each other's eyes.

With so many of them, they have lost their three-inch tongue, but they have moved Lin Ziming, hahaha...

“That’s right, Ziming, I know that you are still very big and don’t know much about us.”

“Yes, we all have the same blood in our bodies. We are the closest relatives in the world. Now that the family is in trouble, Ziming, you will definitely not die.”

“I don’t know how much Ziming are you willing to spend?”

This is the point. Everyone stared at Lin Ziming closely, wondering how much he would spend.

At this time, Lin Ziming said: “I have more than 58.96 billion on my account now, so let’s say everyone is right. I am also a member of the Lin family, and I am willing to give out 64.62 million. Three thousand and thirty-one.25 yuan to help the Lin family get through the difficulties, who made me a member of the Lin family. This money, you don’t need to write IOUs, just as I donate it to the Lin family for free, how about it, I’m very Interesting enough?”

Six thousand four hundred and sixty-two thousand three thousand three hundred and thirty-two five yuan, which happened to be a fraction of Lin Ziming’s account.

When these words were said, everyone’s expressions immediately changed, becoming extremely angry, humiliated, embarrassed...

At this point, who didn’t know that Lin Ziming was playing with them from beginning to end!

Sixty-four million, for the Lin family’s current funding gap, it’s not even a fart!

Humiliation, this is a naked humiliation, Lin Ziming was like slapped all of them severely, slapped them fiercely.

Even if it is Lin Shanhe, who has an excellent cultivation base, he can’t help it at this moment. He changed his color on the spot. The sky was still clear the moment before, and this moment was covered with dark clouds, lightning and thunder!

The same expression appeared on the faces of other people, one by one, gnashing their teeth, staring at Lin Ziming, wishing to bite Lin Ziming to death on the spot, drink his blood, eat his flesh, and gnaw his bones!

Including Lin Zihao, he was irritated by Lin Ziming, clenched his fists, and looked at Lin Ziming’s eyes, only one color was left, and that was icy coldness.

Lin Feng shivered. He was just a small Tingfengting executive. In front of this group of Lin family members, his identity could be said to be very small. Now more than two hundred Lin family members are extremely angry and powerful. , Almost set off a tornado out of thin air on the scene. The strong sense of oppression he had never had before left his brain blank, shivering from the depths of his soul, and his breathing stopped!
