

Chapter: 390

Indeed, none of the Lin family members at the scene are good people. They are all decent figures in society. I don't know how many people have to bow their heads to them and hold high positions for a long time. Will cultivate a strong aura.

Now that the angry mood has exploded, the oppression it brings to people is huge.

Not to mention the existence of Lin Shanhe, Lin Shao'ang, and Lin Zihao. Other people, even Wang Shougui, Guo Yuanjia and others, have long been scared to pee their pants.

However, Lin Ziming just returned to normal after a slight change in his expression, still with a faint smile, completely immune to such a strong pressure. At most, it was just a moment ago when his muscles choked.

The reason why he can be so calm is that Lin Ziming's strength has soared after Ugly Master's devil training that week. The most important reason is that he carries hatred in his heart. The more angry and irritated these Lin family members are, the more he is relieved. So he is not afraid of the coercion of the Lin family at all.

After a brief silence, what burst out immediately was a huge wave.

“Outrageous!!!”

“Arrogant, too arrogant, Lin Ziming, what do you think you are, dare to play us like this?”

“Damn, I can't take it anymore, what the hell, if he is fat, he is really on the breath, right?”

“Looking at him like this, it is impossible to obediently take out the 58.9 billion. Let's not talk about him. Just lock him up and torture him severely. Then he will naturally obediently Get the money out!”

“Second brother is right, he will lock up this evil animal and torture him to death.”

This proposal was approved by many people, and they all began to fill up their righteous indignation, staring at Lin Ziming with gloomy eyes, as if they were staring at the pork on the chopping board, and let them slaughter.

Lin Ziming was not afraid, but laughed, and said in a joking tone: “Why, don't pretend anymore, plan to become angry and tear your skin?”

No one was talking, they all stared at Lin Ziming, now Lin Ziming has become the public enemy of the entire Lin family.

Lin Feng at the side can no longer be described as shivering. He is really terrified now. He is sweating for Lin Ziming. At the same time, he can't understand why Lin Ziming is so bold. Even if he goes to the meeting alone, he still deliberately Annoyed the Lin family? Is Lin Ziming so dependent? You must know that this was the Lin Family's clan meeting. The Lin Family's strength and status were all present. Lin Ziming was undoubtedly

fighting against the entire Lin Family alone, not to mention the terrifying existence of Lin Zihao waiting.

Could it be that Lin Ziming didn't want to survive.

Lin Shanhe stared at Lin Ziming coldly and said, "Lin Ziming, you are too much this time. Do you really think that you have more than 50 billion in your hands, so we can take you a little bit?"

"Uncle, you knew it wasn't very good. Wearing a mask all the time, are you exhausted?" Lin Ziming smiled.

The look of his hippie smiling face made Lin Shanhe angry, but also a sense of powerlessness. Lin Ziming's performance this time gave him an unpredictable sense of crisis.

Lin Shao-ang stood up again and pointed at Lin Ziming and cursed: "Shame on your face! Lin Ziming, I'll just tell you this. You have to take out the money the old man left for you if you don't take it out! Otherwise, Don't even think about stepping out of this gate!"

Others also stood up and threatened Lin Ziming. For a while, Lin Ziming was embarrassed on all sides and was in a dangerous situation, with the possibility of destruction at any time.

If I changed to another person, I would have been so scared that I would have no one in charge, and my mentality would collapse.

However, Lin Ziming could still laugh.

He took out a cell phone from his pocket and said to him: "Joker, you have all recorded. If I don't get out of the Tingfeng Pavilion in an hour, you can send this recording to the police station. It is said that someone in the Lin family engaged in kidnapping and extortion, I believe this is enough for the Lin family to drink a pot."

Ugly master's voice came from the speaker through the phone: "Well, the second young master, I have it."

Suddenly, the expressions of all the people present changed drastically, and they began to panic and fear!
