

Chapter: 395

Lin Zihao's mind turned quickly, and he immediately found a turning point, and said, "Lin Ziming, I can fight you. If you lose, you must delete the recording, and you have to spend 30 billion. Let the Lin family tide over the difficulties!"

What is called the lion's big mouth, now Lin Zihao is, his words shocked everyone, it was too much, how could Lin Ziming agree!

But then, what Lin Ziming said surprised everyone.

"Okay." Lin Ziming smiled happily.

Everyone was stunned, including Lin Zihao, there was no expectation that Lin Ziming would agree to such an excessive request. The first reaction was that Lin Ziming was playing with them!

Lin Zihao squinted his eyes and said, "Lin Ziming, if you agree to this, it shows that your conditions are even more demanding! Let's talk about what you want when you win."

Yes, judging from the performance just now, Lin Ziming is definitely not a good crop. Now he has even agreed to such an excessive request. If Lin Ziming is not playing with them, then there is only one possibility, that is, Lin Ziming's request is even more. The ground is harsh, too much!

Lin Ziming said: "It's very simple. If I win, I want all of you to kneel down for me and let me deal with it. If you don't fight back, you won't fight back."

As soon as this sentence came out, it immediately aroused the anger of many people, and all of them opened their eyes wide and cursed.

It's not over yet, Lin Ziming continued: "Also, I want you to tell the truth about Grandpa becoming a vegetative person. Who on earth did it on Grandpa? Who made the idea!"

As this sentence was said, the audience was silent immediately!

There was a full silence for almost ten seconds, and many people were afraid to speak. After all, this matter was too important to the Lin family. Lin Changtian was the last Lin family head. Who did this thing? To deceive the teacher and destroy the ancestor, it will be struck by thunder. Over the years, everyone has tacitly hidden this matter in their hearts, and no one has come up with it. It has been a bit "forgotten" by everyone. Now it is said by Lin Ziming that it is no less than a bomb. explosion.

Lin Shanhe said, "Ziming, I know that what happened back then has hurt you a lot, but that has passed, and the misunderstanding has been solved. The father became a vegetable in the first place, it is entirely the father's own reasons, and anyone It doesn't matter. You are now saying that you want to find the murderer. Are you kidding me?"

"Are you kidding?" Lin Ziming laughed mockingly, staring straight at Lin Shanhe, and said, "Do you think I am joking?"

“This...” Lin Shanhe was speechless, he didn't even dare to look at Lin Ziming's current eyes for fear of being seen through.

Lin Ziming went on to say: “I really must compare the baht and baht. This time I come back, I am here for revenge! Everything you did to me four years ago, I will remember in my heart! Anyway, I have these two conditions. Just agree, if you don't agree, then you just wait to die!”

When Lin Ziming said these words, a wave of killing air spread.

“Okay, I promise you.”

After being silent for a while, Lin Zihao broke the silence and said in a deep voice, his eyes fixed on Lin Ziming.

Lin Shanhe immediately said nervously, “Zihao, do you have any problems?”

Lin Zihao smiled, his face full of self-confidence and publicity, “What can I have? Last time, I was able to defeat him so desperately, and now, I can still abuse him like a dish!”

As he said, he took off his jacket and began to donate his sleeves. A series of actions were made, which was particularly chic and elegant.
