

Chapter: 397

Their speed is very fast, and they used 100% of their full strength from the beginning, with no reservations. Because they all know each other too well, know everything about each other, know this kind of life-and-death struggle, and retaining strength is tantamount to looking for death.

Speaking of ridicule, they were originally half-brothers, but because of mistakes, they became destined enemies.

Four years ago, Lin Ziming lost to Lin Zihao, four years later, he could not lose again!

Bang bang bang bang...

They kept colliding, fists and feet, and kept making violent crashes. There was also a gust of wind blowing in the hall, causing the clothes of other people to flutter, and they backed up one after another, not daring to get too close, for fear Was affected by the pond fish.

“Lin Ziming, hasn’t he been abandoned for four years? Why is his strength so strong...”

“Yeah, it’s unscientific. For the past four years, I have been paying attention to him. He is a door-to-door son-in-law in the Chu family. I don’t have the time and the conditions to cultivate. Why is his strength so terrifying? The young master is equally matched?”

“In the past four years, the strength of the young master has improved a lot, and the strengths have changed. Even if Lin Ziming’s martial arts were stronger before, he shouldn’t be the opponent of the young master?”

“Is the eldest master keeping his strength and deliberately playing with Lin Ziming?”

“I think there is this...”

However, the last person’s word ‘maybe’ was still unspoken, and Lin Zihao was swept on his waist by Lin Ziming, staggered and withdrew, and he took a full eight steps back. On the ground, he left clearly visible footprints.

This scene even more stunned everyone present and made their bodies cold. what’s going on? Could it be that the young master really couldn’t beat Lin Ziming? If the eldest master loses...the consequences, they can hardly imagine!

The shock in Lin Zihao’s heart was the greatest. He clearly felt that Lin Ziming today has more skill and energy than he did that day!

This doesn’t make sense, how long has it been since Lin Ziming has grown to this point?

Impossible, it must be that Lin Ziming is overdrawing his potential, and his physical strength is Lin Ziming’s shortcoming. Now Lin Ziming must have run out of physical strength!

Indeed, within half a month, Lin Ziming’s kung fu moves can improve, but there is no way to increase his physical strength so much at once. Now Lin

Ziming must have no physical strength. After going through this wave, Lin Zihao will win!

Many people have also thought of this, thinking that Lin Zihao can still win. However, at this moment, Lin Ziming showed a playful smile, and then he rushed over again and continued to launch a stormy attack on Lin Zihao.

Immediately, Lin Zihao felt unprecedented pressure.

In just two minutes, he had already hit Lin Ziming's three punches and two kicks, and his physical strength was consumed a lot. However, Lin Ziming was still very vigorous and didn't look tired at all. How could this not surprise him?

Finally, he found an opportunity and found that Lin Ziming was panting, and his physical strength was a little exhausted. He was ecstatic in his heart and laughed twice, "Lin Ziming, you have no physical strength!"

Then he began to counterattack, extremely violently.

When others arrived in front of Lin Ziming and was about to defeat Lin Ziming in one fell swoop, he suddenly realized that Lin Ziming's already tired eyes suddenly opened wide, sweeping away the tiredness, and the light was superb, and he said with a smile: "Lin Zihao, you are fooled."

"Not good!!" Lin Zihao was shocked and was about to retreat, only to find that his speed could not keep up with Lin Ziming. He was hit by Lin Ziming and hit his chest with a heavy punch, over 800. The kilogram of force poured fiercely on his chest, directly breaking his ribs, and the whole person flew out, hitting the wall hard, knocking the tiles on the wall out of silk cobwebs. .

"Lin Zihao, you lost."

Lin Ziming stood with his hands in his hands, staring at the incredible Lin Zihao faintly.

At this moment, Lin Ziming was the absolute winner. He stepped on the soles of the invincible Lin Family! !
