

Chapter: 401

“The person who harmed Grandpa is not our Lin family, but Qin Huayue! Your biological mother, Qin Huayue!” Lin Zihao said this in a strange tone, and his face was also full of mockery. Hostility, anger, and fear...

With a bang, Lin Ziming slapped Lin Zihao in the face, cursing angrily: “Fuck you! How could my mother be a murderer! Lin Zihao, do you really think I’m very kind and don’t know how to Your Lin family is destroyed!”

Lin Ziming’s emotions became a bit agitated. This is the first time he has been here for so long.

He has thought about anyone in the Lin family, including some hostile forces outside, but he never thought that the person who harmed his grandfather would be his mother, Qin Yuehua! Because this is simply impossible. He remembers very clearly until now that his mother is a very gentle and kind person, who speaks unceasingly, and respects his grandfather. How could such a person be harmful to his grandfather? murderer? What an international joke!

Besides, the mother passed away very early, and the grandfather had an accident four years ago. How could it be the mother who harmed the grandfather?

In an instant, he thought of this in his mind, and immediately he came to the conclusion that Lin Zihao deliberately lied to him!

He took a deep breath, quickly calmed himself down, and stared at Lin Zihao and said, “I’ll give you one last chance to tell me who the murderer is. If you dare to play with me, I will break your neck!”

Suddenly a strong murderous intent emanated from Lin Ziming’s body, and no one would doubt Lin Ziming’s words. As long as Lin Zihao is not honest, Lin Ziming will really twist Lin Zihao’s neck.

Lin Zihao also felt Lin Ziming’s killing intent, and finally he couldn’t help being frightened. No matter how mighty, cold, and powerful he was, he was still afraid of death in his bones, and he was reluctant to bear what he had now.

“Don’t kill me! I’m your brother!” Lin Zihao said pleadingly immediately.

“Then tell me who the murderer is.” Lin Ziming’s hand relaxed a little so that Lin Zihao could breathe more smoothly, otherwise Lin Zihao would be choked to death by him alive.

Lin Zihao swallowed heavily, his face flushed, and slowly became more natural.

After a pause, he still said: “It was indeed your mother who killed...Uh...”

Before he finished his words, Lin Ziming slammed his neck with one hand, and lifted him up, kicking his legs in the air, “Lin Zihao, did you take my words as farts? Then you Go and die!”

Lin Ziming kept tightening.

Lin Zihao struggled vigorously, but he found that he couldn't do anything at all. In Lin Ziming's hands, he had no ability to resist.

At this moment, Lin Shanhe finally moved, and he said loudly: "Lin Ziming! Zihao has lied to you! Your mother is indeed the murderer of the old man! We won't talk about it, we have evidence!!"

Lin Ziming turned his head abruptly, his eyes were blood red, like a demon climbing up from hell, and he would be shocked at the first sight.

Lin Shanhe was also taken aback, but at this time, he had no way of retreat, and he could only grit his teeth, "We didn't want to tell you about this, because we told you the threat to our Lin family. Even bigger! So four years ago, we just expelled you from the Lin family, and we had no choice to kill you."

"Ziming, let Zihao go. He doesn't lie. The person who harmed the old man back then is indeed your mother." Lin Shanhe said more and more smoothly, and walked in front of Lin Ziming, "but I believe that she is also a body. Involuntarily, who made her a member of that organization."

When Lin Ziming heard this, his thinking had begun to become confused. To be honest, he really had no idea that this would be the result!

Moreover, he can also feel that Lin Shanhe and Lin Zihao are likely to lie to him.

"But my mother, didn't she already died when I was a child?" Lin Ziming asked through gritted teeth.

Lin Shanhe said in a deep voice, "She's dead, she's been dead all the time..."
