

## Chapter: 407

“Well, okay.” Chu Fei nodded, and finally added, “Thank you.”

Lin Ziming smiled slightly, didn't say much, opened the door and left.

After he left, Chu Fei was left alone in the room. She stood by herself for a long time, and finally sighed quietly, feeling inexplicably lost. The reason was that she couldn't say anything, or she didn't want to. Think about it.

After two minutes, she suddenly remembered that she originally had a lot of things to ask Lin Ziming, for example, what is Lin Ziming's true identity, why is she so desperate tonight, with that kind of desperate expression on her face, But in the end, she was stunned at the critical moment, and she didn't even ask a word.

It was still raining heavily outside, and Lin Ziming didn't have to leave, so he opened a room in this hotel and stayed for one night.

He suffered from insomnia this night and didn't fall asleep until midnight. He kept thinking about what happened tonight, from the shock at the beginning to slowly accepting and digesting.

In fact, he can be sure that Lin Zihao and Lin Shanhe are not lying, their mother is not dead, and the grandfather becoming a vegetable is inseparable from his mother. It's just that he couldn't understand why his mother did this? It makes no sense! Does the mother have any secrets, or her identity is too special?

In any case, he must find his mother and ask the matter clearly.

Early the next morning, he got up, went to his grandfather's mausoleum, paid a homage, said a lot, and finished his mood before returning to Zi Qiong to work.

Although he left Michelle for a few days, now Michelle is on track and is booming. Every link is operating very well and it has become a huge machine, and every part is closely operating. So Even without his participation, it can still operate normally and generate huge value every day. In addition to Quanxi, Zi Qiong now has popular celebrities. Even the first-tier celebrities, there are several. As for the second-tier and third-tier stars, there are even more.

Even so, after returning to Zi Qiong, he first held a meeting and asked the senior executives to report to him on the company's situation.

After understanding it, he felt more at ease. Now Zi Qiong had nothing to worry about, so Wang Shougui could take care of it. As long as he didn't make any major mistakes, there would be no slippage at all.

In this way, his account has close to 60 billion, and it would be too bad to keep it in the bank. He has to invest, and money is the king.

So in the next time, he mainly focused on the newly created advertising company, with a registered capital of hundreds of millions, and spent a lot of money to buy a professional team and start operations.

This is a multi-billion-dollar business. Han Jinlong entered the game at the first time, but he didn't pay much, only 200 million, accounting for part of the shares, and then Wang Shougui also contributed 300 million, and accounted for For some shares, Lin Ziming controls all the others.

Because he has a professional team, he, as the chairman, doesn't have any work to do. It's a bit boring to be idle for a while.

Of course, he is not an idle person, during this period of time, he kept reading books to enrich himself.

And, most importantly, he started to inquire about the identity of his mother, Qin Huayue!

This was not a simple project. Qin Huayue was able to harm her grandfather unscathed and disappear without a trace, and even the Lin family had no way to retaliate. So, it means that her mother's identity must be very special. A week passed, there was still no movement, like looking for a needle in a haystack, even the clown's intelligence was not moving, and he was quite disappointed in his heart.

On this day, when he went shopping, he suddenly met an acquaintance he hadn't seen for a long time.
