

## Chapter: 408

“Brother Qi?”

When Lin Ziming passed by a place, he saw a familiar figure, called out tentatively, and immediately got the response from the other party. He turned around, saw him, was stunned, and then said in surprise: “Ziming, it’s you.”

The other party was a dark-skinned, slightly fattened man who looked very simple and honest. He was wearing an ancient eunuch’s clothes and his body was dirty.

The other party saw Lin Ziming and immediately walked over, with surprise on his face, he punched Lin Ziming hard in the chest, and said with a smile: “Sure enough, it’s your kid. I haven’t seen you for a long time. I thought you didn’t know your brother anymore! ”

Wang Shougui and several senior executives of Zi Qiong, who were walking behind Lin Ziming, squinted their eyes and flashed some angry faces when they saw this scene. They were about to come up to teach’George Qi’, and Lin Ziming immediately raised their hands. Looking back, he glared back.

Just curious about my brother sweating profusely, he wiped his sweat, and he didn’t see this scene.

Coincidentally, Lin Ziming was bored, so he came to the set with Wang Shougui and others to take a look. He didn’t expect to meet an acquaintance for him.

Recently, Zi Qiong invested in a big movie with an investment of three to four billion yuan. As Zi Qiong’s chairman, Lin Ziming has been in office for so long, and he hasn’t seen it on the set seriously. I was free now, on a whim, I wanted to come and have a look, but he met Brother Qi.

Speaking of Brother Qi, Lin Ziming was quite pleasantly surprised, because Brother Qi has the same status as him, he is both a door-to-door son-in-law, and also in his four years, there are few people who despise him and are willing to be friends with him!

I heard that Brother Qi went to work in another place, and they hadn’t seen each other for almost a year, and now they actually saw it on Zi Qiong’s set.

Lin Ziming looked at Brother Qi still looking honest and honest, and said with a smile: “What are you kidding about Brother Qi, what is our relationship? Even if you turn to ashes, I still remember you, hehe.”

Brother Qi punched Lin Ziming again, and said with a smile, “You kid cursed me to death.”

Lin Ziming chuckled twice, gave Wang Shougui and the others a wink, let them cool off by themselves, don’t disturb him, then he looked back at Brother Qi, and said with a smirk: “Brother Qi, how did you think of it? I’m an eunuch, my sister-in-law agrees?”

Brother Qi sat down on the ground and threw a bottle of Coke on the ground to Lin Ziming, and said, "Being a fart eunuch, your brother is here to act, how about it, isn't it awesome?"

Qi Ge patted his eunuch's clothes with a smug expression on his face.

Lin Ziming gave him a thumbs up and said, "Great, brother Qi is already an actor. I'm still moving bricks, brother."

Then the two of them began to chat. Lin Ziming took the opportunity to look at the set and found that the scale was still quite large. Because of the arrival of Wang Shougui and others, the director and the actors were all of a sudden, and behaved very positively, like Just like licking chicken blood, they also kneeled and licked Wang Shougui and other executives.

Brother Qi looked enviously at Wang Shougui and the others, and said: "It's still cool to be the boss. Even the director and the big stars are respectful in front of them. It's like us who run the game and don't have any human rights. Have."

Lin Ziming smiled and said, "Brother Qi, aren't you in the paint business? Why did you come here to be an actor?"

Qi Ge sighed, and said helplessly: "The paint business was at a loss and closed down. Your sister-in-law gave me a severe training. There happened to be a friend who was playing tricks, so he came over and did it together. Hey, you Not to mention, it's very interesting to be an actor. Not only can you make money, but you can also see the big stars that you can only see on TV every day. It's beautiful."

After finishing speaking, he kicked Lin Ziming again and asked, "By the way, Ziming, what are you doing now? You can't find a job?"
