

Chapter: 409

Lin Ziming thought for a while and said, "I found it."

"What are you doing?" Brother Qi asked.

"Being a real estate agency."

"Hi!" Qi Ge waved his hand vigorously, stood up and said immediately: "Doing this has a promising future, the real estate market is not good now. Or else, you can run the game with me too, bear hardships and stand hard work, every day. An income of one or two hundred is pretty good. And on your terms, if you are lucky, you can be the protagonist for three to five years, and it will be a hit!"

"This..." Lin Ziming was stunned for a moment and was about to refuse. Qi Ge immediately said: "You don't need this and that, it's so decided. Your Qi Ge can mix well on the set, just one sentence Let you in."

After finishing speaking, he ran away without waiting for Lin Ziming to speak. He used to talk to the director, but unexpectedly, he directly touched the nail and received the director's scolding.

He kept a smile on his face, but he was very stiff, bent his body, and kept nodding his head to admit his mistakes.

Finally he came over, wiped his nose, and said with a smile: "Haha, it's done. As soon as the director heard that it was the person I introduced, he immediately agreed."

Lin Ziming saw the scene just now in his eyes, and he also heard some conversations. Knowing that Qi Ge had clearly failed, he said in his heart that it was impossible not to be moved.

It has been a year since I have seen each other, and Qi Ge is still so enthusiastic to him, this relationship is very rare.

When he was a door-to-door son-in-law at the Chu family, Brother Qi didn't help him less. Knowing that he was in a difficult life, he didn't have any money on him, so he often asked him to eat out.

He had thought before that when he came back from the counter-attack, he had to repay Brother Qi well. As a result, too many things happened during this period and he forgot about it.

"is it?"

"Yeah! Is there a fake?" Brother Qi patted Lin Ziming on the shoulder, looking heroic, but he changed his voice and said, "But, I think there are too many dragons in this set, competition It's bigger, your brother thinks about it carefully, and decides to recommend you to another studio. The competition on that studio is relatively small, and you don't need to act as a eunuch, just as a passerby, haha."

Lin Ziming still wanted to talk. At this time, Brother Qi took out his mobile phone to call, and after a few words, there was joy on his face, he patted Lin Ziming's shoulder vigorously, and said, "It's done, you can go to work

tomorrow. It just so happens that my play on this set can be finished today, and I will go to that set with you tomorrow.”

In fact, Lin Ziming wanted to tell Brother Qi that he is now Chairman Zi Qiong, so he can't go wrong, and he can let Qi brother be the protagonist with a word, but when he sees Qi brother's enthusiasm, he still As before, treating him like a brother, he suddenly couldn't speak.

Next, Lin Ziming still didn't reveal his identity. After Qi Ge finished the play, he and Qi Ge went to a nearby food stall to drink and chat.

On the second day, Lin Ziming came over on time to meet Qi Ge, and then went to the new studio together.

This set is also a movie that Michelle invested, but compared with yesterday's, it is a little far behind, only 30 or 40 million investment.

“Director, this is the brother I told you yesterday. He is also very hard-working. There is absolutely no problem with running the game!”

After arriving on the set, Qi Ge couldn't wait to pull Lin Ziming to the director, flatteringly. Said, praised Lin Ziming desperately.

The director looked at Lin Ziming and was taken aback for a moment. I don't know why, he felt that the young man in front of him seemed a bit familiar?
