

## Chapter: 413

In an instant, Wu Fanyi saw Lin Ziming and said in an unkind tone: “Is it you who speaks ill of me behind your back? Whose person are you, so courageous!”

Lin Ziming looked at Wu Fanyi with a slight expression on his face. Just as he was about to speak, Yang Qi stood up next to him and quickly bowed and apologized: “Angkor, Angkor, you misunderstood. Didn’t he just say As for you, he just commented on other people on the Internet casually, Angkor, don’t take it to heart...”

Yang Qi’s face was full of flattery and respect, and he kept nodding and bowing. He was so humble that he felt uncomfortable looking at Lin Ziming. Wu Fanyi looked a lot better, and he said to the director: “Director Chen, how did you do it? All cats and dogs are on the set. If I tell the boss, Zi Qiong, your way in this circle But it’s not so easy to leave.”

Director Chen wiped his sweat and said quickly: “Angkor calms down his anger, Angkor calms down his anger, I’ll drive them two out immediately.”

When Yang Qi heard these words, there were fear, sorrow, and bitterness on his face, thinking that he had just arrived and would be fired, and offended Wu Fanyi. He was afraid that there would be no set to invite him in the future.

Fortunately, at this moment, a few people walked out from a house not far away. The one in front was dressed in an urban white-collar suit. His appearance was amazing and his figure was in a complete mess.

She asked with some doubts: “What happened?”

Her appearance immediately brightened the eyes of everyone on the set, and even Lin Ziming’s pupils shrank a little, and she was amazed, and her breathing stopped for a while.

Like the other men present, they were even more idiots, their eyes straightened.

As soon as Wu Fan saw this woman, she immediately showed a flattering smile, and said, “Yuning, you are here too, isn’t your scene only in the afternoon?”

“Who were you scolding just now? So angry.”

Wu Fan didn’t bother to scold Lin Ziming. He hurried to Ning Yuning, his eyes revealed passion and admiration, and he obviously had a special liking for Ning Yuning.

“Whoever scolds, there is a silly way of saying bad things about me behind my back, I just said a few simple words. Yu Ning, you also know that mine is a very big person, as long as the other party is not too excessive, I don’t bother to care about each other, ho ho.” Wu Fanyi was like a dog licking in front of Ning Yu Ning.

Ning Yuning gave a faint hum. Obviously, he didn’t call Wu Fanyi too

much, and took two steps back gently, keeping some distance from Wu Fanyi, and then said to the director: “Director Chen, now people Come here, can you turn it on?”

Director Chen didn't dare to agree casually, and looked at Wu Fanyi...

Wu Fan immediately said, “It all depends on what Yu Ning means. Yu Ning will start the machine when it is turned on.”

After speaking, he still looked at Ning Yuning with affectionate eyes. This set is an urban love movie with some elements of martial arts. Among them, Wu Fanyi is the male number one and Ning Yuning is the female one. number.

Ning Yuning said, “Then turn it on.”

With Ning Yuning's words, the director ordered to start the boot.

Yang Qi saw that Wu Fanyi didn't continue to care about Lin Ziming, he was relieved, and quickly reminded Lin Ziming in a low voice, “Brother, wait a minute, don't talk nonsense, or we brothers will be finished. ”

Lin Ziming smiled and said, “George Qi, this Wu Fanyi is just a little star, so he shouldn't be so jealous of him, right?”

“What? Little star?” Yang Qi immediately widened his eyes, looked at Lin Ziming with a shocked look, and reached out to touch Lin Ziming's forehead, and said, “I said Ziming, are you okay? Even Wu Fanyi Such little fresh meat has been described as a little star by you? Is it possible that you are the boss of Zi Qiong?”
