

Chapter: 418

Ning Yuning is a rare stream in the entertainment industry. Since her debut, there have been no scandals, no kiss scenes and sex scenes, plus her innocent looks, she has always had the title of the head of the jade girl, even if Looking at the whole of Asia, it is a hot star, with tens of millions of fans, and hundreds of millions of people who know her. It can be said that it is a very hot star, much hotter than Wu Fanyi, who is a little fresh meat.

Because Ning Yuning is not only as simple as looking beautiful, but the key is that she is also very talented, has good acting skills, and has a good reputation in the circle. It is much better than Wu Fanyi and the like.

In other words, Wu Fanyi is a traffic star and may pass away at any time, but Ning Yuning will not. She is a powerful actor.

She has always worked very hard, so she especially despises the kind of people who have a little strength, but still like to talk about them. Now in her opinion, Lin Ziming is such a person. He is obviously just a little dragon, but he is arrogant and domineering. She knows that she despises such people the most.

“Ziming...” Yang Qi almost cried.

Wu Fanyi was amused by Lin Ziming again, and he was so angry that he laughed, “Hahahaha, what a big tone! Since Wu Fan has been in my career for so long, I have seen any big people, but I have never seen you like you. In this way, I think you are insane and treat yourself as a human being, right?”

Director Chen was also extremely angry. He had a tense task today and needed to shoot very urgently. But now that he hasn't finished shooting even one shot, the efficiency is too low. If this is passed to the investor, Ziqiong Media. , Then he, the director, will inevitably be scolded!

And the cause of this is because Yang Qi, a guy, brought a crazy person to his set!

Wrong, in his eyes, Lin Ziming is a neuropathy, if he is not a neuropathy, he would not act like this.

Knowing this long ago, he shouldn't have promised Yang Qi, now he regrets it!

“Yang Qi, you will take your people now and roll for Laozi, how far you go!” Director Chen was furious and pointed at Yang Qi and cursed.

“Director...” Yang Qi's eyes were red.

“Go!” The director picked up the props next to him and threw it at Yang Qi. Yang Qi gritted his teeth tightly. He is now like a concubine, knowing that his acting career is completely boring.

Originally, he still had a dream of becoming a star, but now it was shattered and destroyed by Lin Ziming.

In response to this, he could only sighed for a long time, and even felt

grouchy against Lin Ziming, and the whole person was very sad. He pulled Lin Ziming and said weakly: "Let's go, our long-term career is over."

Instead, Wu Fan was willing to let them go, and immediately stopped them, with a gloomy expression: "Is there anyone kneeling to apologize, and want to leave? There are no doors!"

Originally, Lin Ziming had no plans to leave. This Wu Fanyi was so arrogant, not only was his acting skills poor, he was also showing off on the set, which brought down the quality of the entire set. Most importantly, as soon as Wu Fan insulted him and Yang Qi, it was even more impossible for him to let Wu Fanyi go easily.

"Kneel down to apologize?" Lin Ziming laughed immediately when he heard this.

Wu Fan raised his head and found that I was a heavenly king. You have to listen to my orders and said, "Yes! Both of you will kneel and apologize to me. Otherwise, you won't be able to eat."

Yang Qisei shivered, and said bitterly, "Angkor, we were wrong. You are a superstar, so why do you have a general knowledge of us little people?"

As soon as Wu Fan saw Yang Qi begging in a panic, his face was full of pride and arrogance, "Don't tell me this, it's your friend who is the brain-dead, he offended me life and death! My patience is not very good. Ah, I count to three. If you still don't have to kneel down, then you won't have a chance if you want to kneel!"

After speaking, he began to count down, "One, two..."

With so many people present, none of them dared to stand up and say a word. All of them succumbed to Wu Fanyi's lewdness. In fact, they were not used to Wu Fanyi's aggressive appearance. To be reasonable, even if it was Lin Ziming's fault, he offended Wu Fanyi first, but Lin Ziming only said two ugly words, the big deal is to apologize. And Wu Fanyi asked them to kneel down and apologize. This is something that hurts dignity.
