

## Chapter: 419

But they couldn't understand Wu Fanyi anymore, and they didn't dare to disobey Wu Fanyi, so they all looked at Lin Ziming and Yang Qi with some sympathy.

Yang Qi was scared to the extreme. He pulled Lin Ziming and said in a panic: "Ziming, we have really gotten into a big disaster this time, so let's kneel down and apologize to others, alas!"

Yang Qi's eyes were flushed, and his grievance was extreme.

Lin Ziming looked at him very seriously, "Brother Qi, don't worry, I said that I won't cause trouble to you, and I won't cause trouble to you. We don't need to kneel, I can't help us if the king of heaven is here."

"But he is Wu Fanyi, a popular star now! He said, we can't even eat in minutes!" Yang Qi was a little annoyed now, staring at Lin Ziming.

Lin Ziming sneered and said, "What about Wu Fanyi? It's just a little guy. I will block him every minute and let him fall from the sky to hell."

No one took Lin Ziming's words seriously, and they all felt that Lin Ziming was really crazy, and at this time, he could still say such things.

"What? You're a fool, you can kill me with one sentence? I heard it wrong, right?" Wu Fan laughed with an exaggerated expression.

Then, he provocatively and owedly said: "Well, you are so awesome, but try to block me!"

Lin Ziming glanced at him lightly, "Okay, I will meet your requirements."

Then, he took out his cell phone and made a call, "Wang Shougui, which company is Wu Fanyi's artist?"

Everyone saw that he really took out the phone, and said that he was acting in a different way, and they all felt that he was acting, and he didn't even make a call at all.

Wu Fanyi was not nervous at all. He held his chest and looked at Lin Ziming with a playful expression, like a clown.

When Wang Shougui heard this message, he was stunned for a moment and didn't dare to delay, and immediately said: "It's an artist from Black Rock Media, chairman, what, what's wrong?"

Lin Ziming said: "You immediately call me the boss of Heiyan Media, even if I want to ban Wu Fanyi, if he disagrees, Zi Qiong will terminate all cooperation with Heiyan Media from now on."

"This..." Wang Shougui was shocked at once.

"Follow me." Lin Ziming ordered coldly.

Wang Shougui heard Lin Ziming's seriousness and a hint of anger. He was taken aback and immediately said loudly: "Yes! Chairman, I will call the president of Heiyan Media!"

"Ok."

After Lin Ziming hung up the phone, no one believed him. They thought he

was playing mystery and put it in a very good manner. He directly asked Black Rock Media to ban Wu Fanyi as a person.

And Wu Fanyi was even more joking.

“Oh, I’m so scared. I still use Black Rock Media to scare me? Do you know that I am the pillar of Black Rock Media now, what an idiot.” Wu Fanyi is not afraid of Lin Ziming at all, and all kinds of ridicule and contempt.

Yang Qi also felt that Lin Ziming was crazy, and his complaints against Lin Ziming were getting bigger and bigger.

“Okay, I don’t have the patience to accompany you with this rubbish.” Wu Fan became impatient and immediately wanted to do something with Lin Ziming. However, at this moment, the phone of the assistant next to him rang, took the call and listened. After a while, the assistant’s face instantly became frightened, and said to Wu Fan in a trembling tone: “Angkor, no, no, it’s not good...”
