

Chapter: 420

The assistant's words stunned everyone in the audience.

Especially the panic expression on the assistant's face was even more surprising. I don't know what happened.

As soon as Wu Fan saw his assistant look like this, he was also stunned for a moment. Don't know why, he suddenly had a bad premonition. Could it be that this idiot named Lin Ziming really has the ability to block him?

As soon as this idea came up, it was knocked out by him!
impossible!

First of all, it is not logically explained. If this guy really has this energy, how can he come to the set to run the game? Are you full?

Besides, the temperament of this guy doesn't look like a big man, just that kind of ordinary working-class person, and a small person like this can't threaten him at all.

So after trying to understand this, he was not afraid anymore, and generously accepted the assistant's call, and he also scolded him, saying, "Looking at your panic, it's really embarrassing to me. I didn't tell you. , You must be calm, no matter what happens, don't panic."

The assistant swallowed heavily, his expression still panicked, and said, "Angkor, you should answer the phone first. It's the call from the chairman."

"What? Chairman?!" As soon as Wu Fan heard these three words, his eyes widened, his face panicked, and he hurriedly answered the phone. In his panic, he accidentally pressed the speaker." Hello, Chairman, are you looking for something to do with me?"

Immediately, from the phone, an angry voice came, "Wu Fanyi! Are you fucking looking for death? Even the chairman of Michelle Dare to offend? You fucking, don't get tired of your life. Lao Tzu, fuck you!"

When I heard this, he was full of anger and trepidation, which immediately dazzled everyone.

Heiyan Media is also a relatively large domestic entertainment company, and its market value is even higher than Zi Qiong. It stands to reason that the boss of Heiyan Media should not be so afraid of Lin Ziming. No matter how bad it is, it will not be because of Wang Shougui. I was frightened like this on a phone call.

The main reason for this is that not long ago, he participated in the engagement banquet of Guo Huang's family and saw the power of Lin Ziming! Indeed, the identity of Chairman Zi Qiong definitely wouldn't make him so intimidated, but that day, even a character like Chou Ye had to bow down to Lin Ziming.

What does this show? It shows that Lin Ziming's identity is definitely more than that of Chairman Zi Qiong!

Later, he tried to investigate Lin Ziming's identity, but the more he investigated, the more frightened he became, because he couldn't investigate at all. Lin Ziming seemed to have killed out of thin air. At that time, he bought Ziqiong Media with 2.5 billion in cash. What frightened him the most was the time. When Lin Ziming acquired Ziqiong Media, Lin Ziming was still the son-in-law of the Chu family!

Especially a while ago, Lin Ziming also spent several billions to go out and set up a new advertising company, which is huge and strong.

Combining all these factors, one conclusion can be drawn: Lin Ziming is definitely not the only one with the identity of Chairman Zi Qiong!

Originally, he wanted to invite Lin Ziming to make friends with this potential big man during this period, but he did not expect to receive a call from Wang Shougui. The tone and words on the phone scared him to death. After he hung up the phone, he called Wu Fanyi the first time.

Wu Fanyi's face turned pale immediately. He didn't understand why the chairman would be so angry with him...Wait a moment, he suddenly reacted. Just now, the chairman said he had treated Zi Qiong as a director. Long offended?

However, he didn't even have seen the chairman of Zi Qiong, what's the situation!

Lin Ziming showed a faintly satisfied expression on his face. The boss of Heiyan Media was quite on the road, and he called right away, and he didn't need to wait too long.

In fact, he also knew that the chairman of Heiyan Media had attended the engagement banquet of Guo Huang's family that day, and knew that he was not easy to provoke, otherwise he would not directly let Wang Shougui call him.

Yang Qi was also stunned, and his brain couldn't react at all, what happened in it.
