

Chapter: 428

Chu Xuan noticed Wang Rongmin's eyes, and she looked at Chu Fei and couldn't move her away. Suddenly her face turned black. She pinched Wang Rongmin hard and cursed angrily: "Where do you look!"

Wang Rongmin was in pain. He recovered and quickly explained a few words to Chu Xuan, but his gaze still couldn't help but aim at Chu Fei. There is no way, Chu Fei is really beautiful, as one of the three beauties in Hwaseong City. One, her beauty is unquestionable, especially after she became the chairman of the board during this period of time, she has become somewhat of a presidential temperament, which is even more attractive to men.

Wang Rongmin is also a relatively successful entrepreneur. He has played with many beauties, but he has never touched someone of Chu Fei's level, and he is excited right now.

After Chu Fei walked over, she said, "Mom, why did you think of buying a villa in Yulong Bay?"

Then, she saw Han Xuefen and Chu Xuan, nodded and said hello.

Liu Suhong said: "Yulong Bay is the best villa area in the whole China city. You are now the chairman of Centec. Your status is different from before. Of course you have to live in the best house in the whole China city!"

Han Xuefen came over at this time and said with a smile: "Feifei, you are here too. That's it. Xuan'er's boyfriend is planning to buy Xuan'er a villa in Yulong Bay. As a wedding room, I mentioned it to your mother. About this incident, your mother also wanted to buy a villa in Yulong Bay, ho ho. But ah, you just became the chairman of Centec, can you get so much money?"

Chu Xuan also took Wang Rongmin's hand and walked over and said with a smile: "Mom, you are wrong to say that. Sister Fei is rich now. She has become the chairman of our Centec, a villa of more than 10 million yuan. , That's still easy? Sister Fei, don't you? It happened that my boyfriend and I took a fancy to the villa on the sixth phase, which is not expensive. If the full payment comes down, it will cost more than 15 million. . You can buy one next to us, we can live in together and be neighbors at that time, how nice it is."

When Chu Fei heard this, she finally understood. It turned out that it was because of the comparison. To be honest, she hated this kind of thing the most. She couldn't help but glared at Liu Suhong with dissatisfaction. Besides, even if she wanted to buy it, she couldn't get it. Here comes the money!

"Really? Congratulations in advance. I bought a villa in Yulong Bay. But I am not interested in Yulong Bay. This is too far. I still like the city center. It's close to work, so I just I don't plan to buy a villa in Yulong Bay anymore." Chu Fei said with a smile.

At this time, Han Xuefen on the side said strangely, “Feifei, is that really the case? Just now, your mother said that she really likes the villa in Yulong Bay, and said that she must buy one in Yulong Bay. I think you shouldn’t It’s because you can’t afford to buy a villa in Yulong Bay, so you say you are not interested in villas in Yulong Bay, right? Hoho.”

After saying these words, Chu Fei felt quite uncomfortable after hearing this. She glared at Liu Suhong fiercely, and she blamed this mother who loves to compare her for always making trouble for her.

Chu Fei said, “You don’t know my mom, she is always easy to get hotheaded. She likes the villa in Yulong Bay today, but she won’t like it tomorrow.”

Then she immediately winked at Liu Suhong to make Liu Suhong more eye-catching.

Liu Suhong could also see the look in Chu Fei’s eyes. Even if she felt unhappy in her heart, she couldn’t do anything about it now, so she said, “Yeah, I suddenly don’t like the villa in Yulong Bay. The location is too far, ho ho.”

However, she looks like this, no one can see Ni Duan, it is clear that Chu Fei has no money and can’t afford a house in Yulong Bay.

Seeing this scene, Han Xuefen and Chu Xuan looked at each other. The two of them were more happy and happy. Before Chu Fei became the chairman of Shengke, they were not upset anymore. Now they finally find a chance, and they can do it well. “Vengeance”, how would they let such a good opportunity go!

“Haha, sister-in-law, your personality hasn’t changed at all for so many years, I think you don’t like Yulong Bay Villa, but you simply can’t afford it!” The smile on Han Xuefen’s face was particularly impressive. Dese and ridicule, a victorious gesture, the eyes looking at Liu Suhong were full of arrogance and disdain, and said: “That’s true. Although Feifei is the chairman of Shengke, but it is with our family Rongmin. The company has no Fabi, and the key point, Feifei, can’t come up with the money. After all, it’s more than 10 million.”
