

Chapter: 432

Immediately, everyone's eyes were placed on him.

When Chu Fei, who was leaving in stride, heard this, her body suddenly trembled slightly, and Lin Ziming's voice seemed to hit her heart directly.

Liu Suhong was stunned for a moment. She turned her head and saw Lin Ziming walking in stride, with a smile on her face, and then repeated: "Who said we can't afford it? It's just a mere Yulong Bay Villa."

Just a mere Yulong Bay villa?

This is too arrogant!

This time not only Han Xuefen and Chu Xuan, but even the onlookers around them, they also had a bad impression of Lin Ziming when they heard these words, and felt that Lin Ziming was too arrogant.

They can come to Yulong Bay to buy villas, but it is also in the form of mortgages. They definitely don't have such a big tone to say such big things as Yulong Bay! Moreover, in their opinion, Lin Ziming is wearing a cheek dress and running shoes of two to three hundred yuan. The whole person is just the kind of ordinary salaryman who can not be more ordinary. Such a person can afford Yulongwan's. They didn't believe the villa.

"Hahaha, what a big tone, just like you, don't you put Yulongwan in your eyes? According to you, you are the richest man in a trillion." Wang Rongmin immediately said loudly.

He now sees Lin Ziming more and more unhappy. Among his peers, he is an absolutely successful person. He really looks down on such rubbish as Lin Ziming, not to mention the relationship with Chu Fei.

His words were recognized by many people, and they all began to ridicule.

"Yes, just a hanging silk, what to install there?"

"I really don't know that the sky is high and the earth is thick, and I dare to say something like Yulong Bay?!"

"I think this man is a clown, grandiose, look at him, he is a takeaway."

"The food delivery person is too high to look at him. I think he moved bricks on the construction site."

Many people began to laugh at Lin Ziming and became hostile to Lin Ziming.

But isn't it? The words Lin Ziming just said offended them all.

If you changed someone else, you would have panicked a long time ago in this situation, but to Lin Ziming, there was no such thing as a so-called.

He walked up to Chu Fei at this time and said with a smile: "Fei Fei, you were naughty again just now. Didn't we say that we are going to buy a villa in Yulong Bay? The money is all in place, so why can't you still say that you can't afford it? Well, aren't you lying to Auntie and Chu Xuan?"

Chu Fei opened her mouth wide and looked at Lin Ziming with a bit of dementia. She didn't understand what Lin Ziming was doing. She

immediately asked with her eyes: Hey! What the hell are you doing!

The smile on Lin Ziming's face remained unchanged, and then said to Liu Suhong, "Mom, which villa do you like? We can buy it."

Liu Suhong was a little dazed now, and she didn't understand what Lin Ziming was doing. She looked at Chu Fei, hoping to see something on Chu Fei's face, but now Chu Fei lowered her head and looked very complicated. She is also very confused.

Chu Xuan reacted at this moment. She laughed twice now, took Wang Rongmin's arm, and walked over, "Oh, brother-in-law is so majestic, I can actually afford a house in Yulong Bay, amazing!"
