

Chapter: 433

She said so, but her face was full of disdainful smiles. She clearly didn't believe that Lin Ziming had this ability to buy a house. At most, she thought that Lin Ziming was playing a swollen face to fill a fat man.

Isn't it true? Lin Ziming has been in the Chu family for four years and has always been a wasteful image. He has never done anything. I don't know how much he has lost to the Chu family, especially Chu Fei, who is his wife, because of Lin Ziming. This rubbish husband has always had a bad reputation in Hwaseong.

Now that she was killed, she didn't believe that Lin Ziming could get so much money to buy a villa in Yulong Bay. Even if it were to take the mortgage route, she would have to spend several million at a time!

Han Xuefen also immediately joined in, and began to show no disdain for Lin Ziming's yin and yang, the contempt and disdain in his tone.

Liu Suhong swallowed his saliva and asked Lin Ziming, "Do you really have the money to buy a villa in Yulong Bay?"

Lin Ziming nodded and said with a smile: "Of course, when did I lie to others?"

Liu Suhong thought about it carefully. It seemed to make sense. Although Lin Ziming had been very useless for so many years, he was still trustworthy in terms of integrity. Lin Ziming did not seem to have deceived anyone.

But even if she thinks so, she still feels unsure, after all, it is really too difficult to buy a villa of more than ten million.

She thought, anyway, it's already this step, and the shame is all shameless, and she is not afraid of shame anymore, the big deal, when the time comes, she will throw the pot on Lin Ziming.

After thinking about it, she said, "Okay, if you can afford it, Mom thank you so much!"

Lin Ziming smiled, and then said to Chu Fei: "Fei Fei, you can choose with your mother. Which villa in Yulong Bay did you like?"

Chu Fei bit her lip and didn't speak. Actually, she believed that Lin Ziming could afford a house in Yulong Bay. However, they are now divorced. Even if they can afford it, it seems to have nothing to do with them... ..

So for a while, she also lowered her head, without speaking.

How Lin Ziming's eyes were, he naturally saw through Chu Fei's complex mood at the moment. To be honest, he was still a little happy in his heart. After so many years of marriage, Chu Fei had always looked down on him, and now he can finally meet Chu Fei. It's a chance to exhale!

Moreover, he also felt that Chu Fei showed a trace of regret now...

However, Chu Xuan and Han Xuefen couldn't stand it anymore. They deliberately fooled Liu Suhong and Chu Huaxiong to visit the house in

Yulong Bay today, mainly because they wanted to humiliate the place severely and want to return their previously lost faces. As a result, now Lin Ziming Appeared, the guest is overwhelming, how can they agree to it?

At the moment, Han Xuefen said, “Well, since you can afford a villa, you don’t need to talk nonsense and pay directly!”

Chu Xuan also said, “Yeah, let’s pay, saying that it’s all fake.”

Then she gave Wang Rongmin a wink. Wang Rongmin also nodded, and said directly to the real estate agent: “As for the villa you just saw, you will arrange the procedure now. I will pay now and give me the property as soon as possible.”

The Xie intermediary in charge of Wang Rongmin, when he heard these words, he blushed with excitement. He nodded and said loudly: “Good job, good job! Manager Wang, I will make arrangements! Manager Wang, you are so magnificent. I have been working as a real estate agency for so many years, and this is the first time I have seen a client as happy as you!”

Then, Wang Rongmin walked over again and said to Lin Ziming, “Pay together.”

He raised his eyebrows, his expression full of provocation.
