

Chapter: 435

Thinking this way, they are even happier and excited.

Lin Ziming was also going to buy the best villa in Yulong Bay, but now he has just paid more attention, which has no effect on him.

On the contrary, the appearance of Chu Xuan and others made Lin Ziming very interesting, a little looking forward to waiting for their wonderful expressions.

As a door-to-door son-in-law in the Chu family for four years, Lin Ziming has been living a “worseful” life. He was not ridiculed by Chu Xuan’s family. Now that he has successfully counterattacked, he has the opportunity to give Chu Xuan a good face. Of course he won’t let the opportunity go, besides, this is also exasperating in front of Liu Suhong and Chu Huaxiong. As a result, many people followed the real estate salesmen for the past nine phases of house inspections.

I have to say that as the most high-end villa area in Yulong Bay, Phase 9 is really the most luxurious, which is not the same concept as Phase 6 seen by Chu Xuan and others just now.

After Chu Xuan and Han Xuefen looked at them, they immediately became disinterested in the sixth period. Chu Xuan secretly pulled on Wang Rongmin’s clothes and asked him if he could buy the ninth period. Wang Rongmin glared back on the spot with a fierce look.

Just kidding, the minimum cost of the ninth phase of the villa is 30 million. If you sell him, you can’t get that much money. Even if you take the mortgage, he will struggle.

“Well, you have watched so much, do you still have any favorites?” Chu Xuan said strangely.

The real estate salesman also said, “Mr. Lin, which one do you like?”

For a while, everyone’s eyes were on Lin Ziming, wanting to see how he answered.

Lin Ziming smiled and pointed to the most luxurious and majestic villa in front of him and said, “Just this one.”

The real estate salesman said, “Mr. Lin, are you sure you want to buy this set?”

“Yes, is there any problem?”

“The set you mentioned is the most expensive villa in our entire Yulong Bay. It covers an area of thousands of square meters and has a complete set of facilities. The villa is also decorated at the highest level. The total price is 3889. It’s 190,000 yuan.” The real estate salesman said, looking at Lin Ziming with an expression of disbelief.

There is no way. Lin Ziming’s clothes are too ordinary now. Everyone who says he is a food delivery person believes that how can it be possible to buy a house close to forty million!

Sure enough, when so many people around heard this number, they breathed a sigh of relief and were frightened. This can buy a company of a large scale! Chu Xuan and Han Xuefen were also very shocked, looking at the big villa very enviously, but they didn't dare to have any idea that such an expensive villa is not something people of their level can afford. For this, they are still very self-aware.

Lin Ziming smiled again. He didn't answer the real estate salesman first, but faced Chu Fei and asked with a smile: "Fei Fei, are you satisfied with this villa? If you are satisfied, let's buy it. ."

Chu Fei had no answer, and now her heartbeat speeded up a lot inexplicably. "Don't coax anymore!" Chu Fei said in a low voice annoyed.

Lin Ziming just smiled, without saying anything, but just turned around and said to the salesperson: "Then this set, I will pay now and complete the procedures for me."

Chu Xuan and Han Xuefen were very disdainful, and they didn't believe that Lin Ziming could afford a 40 million mansion!

Suddenly thinking of something, Lin Ziming said to Chu Xuan: "By the way, Chu Xuan, you seemed to say that you want to buy a villa next to us? Now I decided to buy a large villa in the ninth phase. Do you want to buy it? One set? Like the villa in Phase 6 is still too small."

Chu Xuan asked Wang Rongmin with her eyes. After getting Wang Rongmin's consent, she said loudly: "Okay, buy it, but you pay first. If you have the ability to pay in full, we will pay immediately!"

How could Lin Ziming not know what Chu Xuan was thinking about? He smiled faintly and said: "No problem, but you'd better prepare the money in advance, don't wait for me to pay, but you said you can't get the money."

These words made Chu Xuan and Wang Rongmin angry. Wang Rongmin stepped forward and sneered: "You can rest assured, if you can pay, I promise to buy it as soon as possible! It's you, don't wait to get it. With so much money, I became a clown!"

Lin Ziming had no rebuttal. He used actions to speak. Soon, he went to checkout. The real estate side was very fast. After only ten minutes, all the procedures were ready. As long as Lin Ziming can successfully make the payment, Direct transfer, Lin Ziming can move in tonight.

For a while, everyone paid attention to Lin Ziming to see if he could actually pay.

Lin Ziming took out his bank card, swiped it at the POS machine, and then pressed the password. After a while, he heard the machine report: "Successfully paid 38.99 million yuan."

Immediately, the audience was silent, and everyone's expressions became wonderful.
