

Chapter: 436

At this moment, everyone has an absurd sense of unreality!

Three thousand eight hundred ninety nine thousand nine hundred and ninety-nine, so the payment was successful?

After almost five seconds, the hundreds of people present came to their senses, and then there was a series of cold breath sounds.

And it was Lin Ziming himself who broke this weird silence. With a faint smile on his face, he said to the salesperson at Yulongwan: "I have signed the letters. You should complete the procedures as soon as possible. Move in at night."

On several contracts, Lin Ziming's elegant name has been signed impressively.

In an instant, the scene suddenly became a sensation.

"Fuck!!"

"I heard something wrong, right? The payment was really successful? 38.99 million! This is rounded up to 40 million, I rely on it!"

"An illusion, it must be an illusion. This guy looks like he is delivering food. How can he get so much money!"

"Couldn't it really be us who left, they are really the super bosses!"

"I'm sour, I want to live in a forty million mansion too! Is this the most expensive house in Hwaseong?"

At this time, the sales staff in Yulong Bay were all boiling, especially the female sales person in charge of Lin Ziming's list. Now her entire face was flushed at a speed visible to the naked eye, her breathing was extremely rapid, and her body was trembling.

For a big villa of 40 million yuan, she can get hundreds of thousands in commission!

As for the other salespersons, the eyes that looked at her were full of envy, jealousy, and hatred, especially the Xie intermediary who brought Lin Ziming. Originally, he was in charge of this order, but just now, because he looked down on Lin Ziming, he actually looked down on Lin Ziming. Letting out such a big order...

With a snap, he slapped himself hard!

I cried directly. You know, he couldn't make so much money in a year. Originally with this commission, he also had the money to buy a house, and he was crying to death.

At this moment, Liu Suhong also reacted, she couldn't help but explode directly, "Damn! Forty million big villa, just bought it like this!"

She looked at Lin Ziming's eyes, full of shock, incredible, fanaticism...

Lin Ziming was a little hairy when she was staring at her, as if she was about to rush up to throw him down at any time, it was terrifying.

Chu Huaxiong was also demented. He had never thought that Lin Ziming

could actually afford such an expensive villa, which made him feel that Lin Ziming was so strange.

Seeing this reaction from the former father-in-law and mother-in-law, Lin Ziming was still very happy. Because of forbearance, he had been in a wasteful manner for so long before, and now he finally got rid of the Lin family, he could show off his greatness, a blockbuster.

Chu Fei gritted her teeth. There was too much surprise in her eyes, because she had seen Lin Ziming's extraordinary side in Tingfeng Pavilion before, and buying a house of 40 million seemed not too unusual. However, her heart was still shocked a lot, and it was obvious that Lin Ziming had paid such a big price for her to buy the big villa... For a while, her heart was a little confused.

Of course, the most brilliant expressions belonged to the three of Chu Xuan. They were completely dumbfounded, with ghost-like expressions. To them, they couldn't understand why Lin Ziming could spend so much money!
