

Chapter: 438

Chu Xuan was dumbfounded. She had no idea that Wang Rongmin would go with her like this. You know, before coming, she did everything she could to make Wang Rongmin comfortable and comfortable. Wang Rongmin also agreed to her. They want to buy a villa in Yulong Bay as their wedding room.

But now, Wang Rongmin dropped her and left, which was beyond her expectation.

“Hey! Why did Rong Min run away?” Han Xuefen exclaimed dissatisfiedly. Chu Xuan ran out to chase Wang Rongmin, but she could no longer see Wang Rongmin, and she was completely panicked.

Naturally, Liu Suhong would not let go of this opportunity for revenge. She immediately punched out a set of combo punches and returned what Han Xuefen and Chu Xuan had just mocked her.

“Oh, didn’t it just say that you want to buy a big villa? Why are people running away now?”

“It’s only 35.88 million, not much at all. It’s not as good as the 38.99 million set we just bought. Why can’t you even get the money.”

“I said Chu Xuan, what big boss do you know? I think you were deceived. It’s so pitiful.”

Listening to these words, Chu Xuan’s mentality collapsed on the spot. She stayed no matter what, she cried out and ran out.

Han Xuefen’s face was blue and white. Now Liu Suhong’s words are like a knife to her, making her extremely uncomfortable. Especially in the public, so many people’s ridicule, point her, even if her face is thick Can’t go down, run away.

Liu Suhong was relieved, walked up to Lin Ziming, showed a flattering smile, and said, “Ziming, when did you become so prosperous? You can even afford such an expensive villa. Mom is really proud of you. what.”

Lin Ziming smiled and said nothing, then Chu Fei walked over and said, “Thank you for breaking the siege just now. Now that you have bought a house, there are many other things to be done, so we won’t bother you.”

After speaking, she took Liu Suhong to leave.

“Hey, Feifei, where are you taking mom to go? We just bought a big villa, but we haven’t even gone in for a good look.” Liu Suhong exclaimed.

Chu Fei said, “It was bought by Lin Ziming, and it has nothing to do with us.”

Liu Suhong was immediately unhappy, and said angrily, “Why doesn’t it matter? Lin Ziming didn’t say just now, this big villa was bought for us, so I will live in tonight.”

“Lin Ziming is just talking, his name is written on the real estate certificate, and it has nothing to do with us!”

“Why does it matter? You are his wife...” At this point, Liu Suhong stopped abruptly. She remembered that Chu Fei and Lin Ziming are now divorced, legally speaking. , They are indeed not related.

She was so excited just now that she had forgotten this. For a while, her expression became stiff, especially uncomfortable. It felt like a duck with its mouth flew away.

“Well, even though you are divorced, you can also remarry...”

“Mom!!” Chu Fei immediately stared at Liu Suhong angrily, “What nonsense are you talking about? What do you think of me!”

Liu Suhong didn't dare to look into Chu Fei's eyes. Looking at him from the left and right, he muttered in a low voice, “So what is it fierce? I'm just telling the truth.”
