

Chapter: 440

Chu Fei was annoyed by Liu Suhong's remarks, "Mom! What nonsense are you talking about? Lin Ziming and I have always slept in separate beds. You don't know, I haven't even touched my fingers. Well. Strictly speaking, he and I are not a husband and wife at all, and he has no obligation to compensate us at all."

Liu Suhong was a little speechless for a while, but she was really unwilling, paused, and then said: "You are too. You have been married to Lin Ziming for so long, so why don't you have a Zhou Gong ceremony? Well, you have someone else's wife doing this!"

Chu Fei was exasperated, "You are ashamed to say that I am obviously the one who taught me this way! On the first night of Lin Ziming's arrival, you told me to not let me sleep in bed for Lin Ziming. Now you are ashamed to teach me. I'm here?"

"You..." Liu Suhong said poorly again.

At this time, Chu Huaxiong stepped up and said, "Daughter, what is going on with Lin Ziming? He is not a poor boy from the countryside. Why did he change his life after divorcing you and become so rich?"

This sentence overwhelmed Chu Fei, and made her feel more complicated and confused, and said: "He said that he has a good relationship with the chairman of Ziqiong Media and has invested in the company of Shengke Lighting. One hundred million, he asked Chairman Zi Qiong to get it."

"There is such a thing?"

Liu Suhong and Chu Huaxiong were very surprised. Ziqiong Media also knew that it was a big company with a market value of several billion. Didn't they think that Lin Ziming could recognize such a big man?

Only Chu Fei felt more restless, because she remembered that that night, when she took off the mask of Chairman Zi Qiong, Lin Ziming's face was revealed! And, what Lin Ziming said to her told her that Lin Ziming is Chairman Ziqiong...

Before, she had never believed this sentence, but now, her heart began to shake a little.

.....

sandbags at a time, each of which is swayed like a swing by him. It is shocking. .

In the end, he hit three punches in a row, and he directly exploded all three sandbags, and the sand inside leaked out.

“Second Young Master, your kung fu has become more refined.”

A man clapped his hands next to him. It was the underground emperor Ugly Lord of Hwaseong.

And this bare-chested young man is also Lin Ziming. He has spent the past two days staying with Ugly Master, training in retreat.

Lin Ziming took the functional drink that was thrown over and drank it in twos or twos. He smiled and said, “How about it? Do you want to fight a fight? Let’s discuss it.”

Ugly master smiled bitterly and said: “If you learn from each other, how can I be your opponent now?”
