Chou Ye admitted, and at the same time he was also very puzzled, how did Lin Ziming see through him?

Indeed, he was from Lin Ziming's mother, Qin Huayue. He was at the beginning of his freshman year, but he was well hidden. No one in the Lin family found his identity, including Lin Changtian, who had passed away.

As a result, Lin Ziming found out now, and he asked himself that he didn't show any sloppy feet.

However, Lin Ziming sighed for a long time and said, "Joker, you are actually my mother's person. It really surprised me. It seems that my mother and her old family had a purpose of marrying Lin's family from the beginning. ."

Seeing Lin Ziming's expression, Ugly Master suddenly understood everything. Lin Ziming didn't dare to find evidence that he was Qin Yuehua. He was just skeptical. If he bites to death, the second master will not think he is Qin. Hua Yue, it turned out that he was swindled out instead.

"Second Young Master, you are really amazing. I have been hiding for so long, and even the old man has not discovered my identity, but you have been scammed so easily." The ugly master laughed bitterly, admiring Lin Ziming to the extreme.

Lin Ziming didn't have the slightest pride, but he laughed at himself and said: "Joker, you really gave me a huge surprise! According to this, you came back to me this time, not because you listened to my grandpa. It's my mother's meaning, right?"

The Ugly Master didn't speak, and he acquiesced to Lin Ziming's words.

Thinking of something, Lin Ziming continued with a smile: "I'm very curious now, since my mother is dead, why didn't she come to me for the past four years? In her mind, I'm just one Tools, right?"

"No!" The Ugly Master said solemnly: "Miss is not such a person. In Miss's mind, she has always loved you very much. In Miss's mind, you are Miss's most precious treasure."

"Hahahaha..."

As if hearing a big joke, Lin Ziming laughed suddenly, "The most precious baby? Clown, could it be that in your mind, I Lin Ziming is a fool and can be easily deceived?"

The Ugly Master looked at Lin Ziming laughing. He fell silent, brewed for a while, and continued to say seriously: "Little Master, that's not the case. The young lady really loves you very much. There is no doubt about this."

Lin Ziming said: "You call her a young lady. It seems that you have been her servant very early."

Ugly Lord nodded and admitted.

"You said she is very affectionate, then explain why she hasn't come to me

for so many years, and watched me as the door-to-door son-in-law at Chu's house." Lin Ziming said coldly, his face now bleak. With an expression.

"Miss is protecting you." Ugly Master said in a deep voice.

"Protect me?" Lin Ziming raised his brows and said, "How do you say this." Ugly Lord was silent, but there was no answer.

Lin Ziming increased his tone and said in a commanding tone: "Answer me!"

"Young Master, I know you are angry now, but please believe that the young lady is really protecting you. When the time is right, the young lady will naturally come back to find you." Ugly said.

Hearing this, Lin Ziming's anger rose in his heart, and he ran straight up his forehead, making him clenched his fists, his breathing was obviously a lot faster, he closed his eyes, took a deep breath, and tried to stay calm, no He vented his anger, and after a while, he continued: "Then tell me, why did he marry into the Lin family back then, and why did he harm Grandpa again."

Ugly Lord lowered his head, but there was no answer for a long time.
