

Chapter: 446

“Dong Lin is here, you all cheer me up! If you fawn on Dong Lin, you will be stable in this life, you will enjoy endless prosperity, reputation, and status. From now on, you will be human. People, you know!” Ye Piaoyang’s tone was full of provocative.

When the female stars heard his words, their eyes lighted up, their heartbeats accelerated a lot, and their moods became more excited. They wished to plunge into Lin Ziming right away, and did everything they could to please Lin Ziming.

Including Ning Yuning, her heartbeat accelerated a lot, and she remembered Lin Ziming’s face. She is a beautiful girl in the entertainment industry, and she has not coaxed any scandals. It does not mean that she is not interested in men, nor does it mean that she does not want to find a support. She has been in the entertainment industry for many years. She knows the complexity of the entertainment industry. If she hadn’t been talented enough, she would not know how many times she has been under the unspoken rules! She also knows that now that she can protect herself, it doesn’t mean she can protect herself in the future. When she gets hot, someone will definitely want to rule her unspokenly. Then she may not be able to protect herself, and if there is Ziqiong The chairman is covering her, so there must be no one dare to touch her, which is also an important reason why she will come to receive Lin Ziming with Ye Piaoyang.

Lin Ziming is not too handsome, but not ugly. He belongs to the type that is very attractive and has a very good temperament. The big reversal that day left a great shock to Ning Yuning. She has never had anything. Encountered such a thing.

This is often the case for women. A man who originally looked down on her, or even dismissed it, has changed his true identity as a super big person. Then this man will leave an extremely deep impression on her.

On the contrary, if a man thinks that he is a big man at first, but finds that he is just an unknown junior, he will be very disgusted with this man.

Now Ning Yuning has left a very positive impression of Lin Ziming. She is not a person who worships money, but she still can’t help but think of Lin Ziming these days.

She was curious, why Lin Ziming is clearly chairman Ziqiong, but he still has friends like Yang Qi? Judging from the performance that day, Lin Ziming and Yang Qi are true friends.

With such emotions, Ning Yuning wanted to see Lin Ziming very much, and wanted to know more about what kind of person Lin Ziming was.

Not to mention these female stars including Ning Yuning, even Wu Fanyi, he has the mentality of kneeling and licking Lin Ziming, if Lin Ziming had a hobby in that respect, he would give himself without hesitation.

Finally, under the attention of so many people by Ye Piaoyang, Lin Ziming's car arrived, and they all cheered up.

"Dong Lin, you are here, welcome."

Ye Piaoyang walked up quickly and said with a big smile, with a flattering smile on his face. Behind him, Wu Fanyi and Ning Yuning and other stars also followed. This scene can be said to be very mighty. When someone takes a photo and releases it on the Internet, it will immediately cause a sensation, and it will be searched at a super fast speed!

You know, the several stars here are the hottest stars of Black Rock Media, and the lowest are the second-tier stars. Ning Yuning and Wu Fanyi are even first-tier stars with many fans.

Usually they seldom gather together. They only attend together when they participate in some large-scale awards ceremonies. Now, they attend together and still greet one person. Their attitude is obviously senior and pleased. This is for their fans. Unbelievable things.

Lin Ziming came to the banquet by himself, and the company provided him with an assistant, but he didn't take it, because he always likes to be alone by himself. As for bodyguards or something, it's even more unnecessary, because there are no domestic ones. What bodyguard is as good as his.

It's even more so-called for ostentation, Lin Ziming is a low-key person in his bones.

Now he saw that Ye Piaoyang brought so many people over to pick him up, and he was still a little uncomfortable. It was too high-profile.
