

Chapter: 447

But Ye Piaoyang and the others saw that Lin Ziming had come by taxi, and they were blinded! In their thinking, they couldn't understand at all. How could a big man like Lin Ziming take a taxi when he went out?

Wu Fan was dumbfounded, he could not understand Lin Ziming's behavior at all.

Some light flashed in Ning Yuning's eyes, and she became more interested in Lin Ziming.

Lin Ziming walked over, glanced briefly at these stars, and said with a smile: "Ye Dong, why did you call so many big stars over for a meal? Isn't it just to give me power?"

Ye Piaoyang's expression changed immediately when he heard this. He shook his head and denied: "Don't dare, Lin Dong, you can shame me. How dare I give you offense? I'm not afraid to neglect you. Call some stars over to accompany you."

The word 'accompanied' on his face was very heavy, and his face showed that kind of tacit expression, and the meaning expressed in it was self-evident.

Lin Ziming is a man. How could he not know what Ye Piaoyang meant? He wanted to flatter him.

Thinking of this, Lin Ziming also laughed. This society is like this. Once they have power, there will never be fewer people who fawn on themselves, and there will definitely be a lot of temptations.

"Really." Lin Ziming smiled faintly, with a mysterious expression on his face, making it hard to guess his thoughts, and I don't know if he likes it or not. But Ye Piaoyang didn't worry, because he didn't believe that there were bad men in this world, especially the rich and powerful bachelors like Lin Ziming, and there must be a lot of women around him.

The other female celebrities who came along saw their boss treat Lin Ziming so respectfully, their eyes turned even more fierce when they looked at Lin Ziming, and Qiubo kept throwing them at Lin Ziming.

They thought that Lin Ziming must be a middle-aged man with a big belly, but they didn't realize that Lin Ziming was so young and maintained such a good figure, which was extremely attractive to them.

As female stars who have been in the entertainment industry for so many years, they have seen too many greasy middle-aged bosses with big bellies, and a boss as big as Lin Ziming, and so young. This is really the first time they have seen each other. Why not? Are they tempted?

Ye Piaoyang coughed slightly, Wu Fanyi immediately bent over and walked over quickly, with a flattering and respectful expression on his face, and said to Lin Ziming, "Dong Lin, what happened last time was my fault. A lot, can you let me go this time, I promise that this kind of thing will happen in the

future!”

However, Lin Ziming didn't even look at him. Instead, he smiled at Ye Piaoyang and said without a smile: “Ye Dong, it seems that your purpose for inviting me to dinner tonight is not pure.”

Seeing Lin Ziming's expression, Ye Piaoyang immediately chuckled in his heart. Knowing that Lin Ziming would not forgive Wu Fanyi, he quickly weighed it, gritted his teeth, and the strong man broke his wrist, kicked Wu Fan on the waist, and slapped Wu Fan. With a kick, he cursed: “Dogs look at low things and don't let me roll! From now on, you don't want to turn over in the entertainment industry!”

Wu Fan was like a bereaved concubine. He knew that he was completely over. He wanted to struggle again. When he saw Ye Piaoyang's murderous eyes, he shuddered and endured it, because he knew that if he went on, he would end up even more awful.

When other female stars saw this scene, they all turned their eyes to Lin Ziming's eyes and looked even more unusual.

They are all smart people, and they don't know where they are. Lin Ziming's background is very big, and even his boss must be respectful to Lin Ziming!

In this way, they are even more determined, no matter what method they use, they must hook up with Lin Ziming!
