

Chapter: 448

Ye Piaoyang spent a lot of money tonight. I started preparing for tonight's banquet a few days in advance. Not only the hotel is the best, but the location is the best. Even the dishes are prepared with precious materials in advance. The purpose of the chef is to make a good impression on Lin Ziming.

Ever since Ye Piaoyang knew that Lin Ziming was most likely from the Lin family, he was determined to embrace Lin Ziming's thick leg.

Lin Ziming knew Ye Piaoyang's thoughts well, just smiled indifferently, without causing any disturbance in his heart.

However, he was very happy to be able to see so many stars. Two female stars have been stars who debuted for a long time. A few years ago, he had seen the movies played by these female stars and the songs they sang.

When he was the door-to-door son-in-law of the Chu family, these female stars were unattainable to him, but now they all flattered him one by one, and wanted to stick to him and hook him up. This feeling is quite strange.

"Come on, Lin Dong, I toast you a glass!" Ye Piaoyang stood up with the wine glass first, and toasted Lin Ziming.

The other female stars also stood up and toasted Lin Ziming. Lin Ziming smiled slightly and accepted the glass of wine.

After drinking for three rounds, Ye Piaoyang said: "Dong Lin, I admire you from the bottom of my heart. You can make such amazing achievements at such a young age. I, Ye Piaoyang, can be considered a lot of big people, but I have never had one. I've seen someone as young and capable as you, really awesome!"

Ye Piaoyang gave Lin Ziming a thumbs up, his face was full of admiration, and he didn't know if he really admired or faked it.

Immediately there was a plump and charming female star who also said: "Yes, Lin Dong, you are really amazing. You have such a great achievement at such a young age. You are simply the protagonist of the genius in the movie. I can be with you tonight. Eating is an honor for the little girl!"

Lin Ziming knows this female star, Yang Xiaomi, who is a very famous female star in the circle. She is known for her hot body. She was once called an otaku god and goddess. She is too good in figure. I don't know how many men's dream lovers are.

I have to admit that her figure is really foul, and it will produce primitive impulses when people look at it. It is not too much to say that she is a stunner. Lin Ziming had watched Yang Xiaomi's movies before and liked her a lot.

Lin Ziming smiled and said, "Haha, Ms. Yang, I'm overwhelmed. I'm just an ordinary man. I just made some money just because I was lucky. I can't be called the protagonist. It's you who are big stars who are the winners in

life. Everyone in the country knows you, and I can be excited for a long time when I see you.”

Yang Xiaomi said: “Lin Dong, Xiaomi took the liberty to ask, have you seen my movie?”

She stared directly at Lin Ziming, with some tension and anticipation in her eyes. She was a hot big figure a few years ago. There are so many fans in China. How many people spend millions just to have a meal with her. It’s just that in the last two years, too many traffic stars have appeared, robbing her of her light, and making her look much dim.

Lin Ziming smiled and said, “Ms. Yang is a big star. Of course I have watched your movies. After all, I’m still half a fan of you.”

There is no lie in this sentence. Lin Ziming is indeed a fan of Yang Xiaomi. To be precise, Chu Fei is a fan of Yang Xiaomi. She rarely watches Yang Xiaomi’s movies and TV shows, and she doesn’t even let it go on variety shows. .

As everyone knows, when Yang Xiaomi heard this, she immediately showed a bright smile, blooming like a flower, “Is that really great! Lin Dong, you are the chairman of Zi Qiong, and you must be very good at acting.” You understand, it just happens that I have some doubts about acting, why don’t I ask you for advice tonight, okay?”

She bit her lip lightly, her eyes were full of radiance, and she stared straight at Lin Ziming. The taste that she expressed was self-evident, as long as she was not a fool, she could understand her meaning.
